§ 945.105 Definitions.

The terms *Department*, *Elderly person*, *HUD*, *NAHA*, *Public Housing Agency (PHA)*, and *Secretary* are defined in 24 CFR part 5.

Designated family means the category of family for whom the project is designated (e. g., elderly family in a project designated for elderly families).

Designated housing or designated project means a project (or projects), or a portion of a project (or projects) (as these terms are defined in this section), that has been designated in accordance with the requirements of this part.

Disabled family means a family whose head or spouse or sole member is a person with disabilities. The term "disabled family" may include two or more persons with disabilities living together, and one or more persons with disabilities living with one or more persons who are determined to be essential to the care or well-being of the person or persons with disabilities. A disabled family may include persons with disabilities who are elderly.

Elderly family means a family whose head, spouse, or sole member is an elderly person. The term "elderly family" includes an elderly person, two or more elderly persons living together, and one or more elderly persons living with one or more persons who are determined to be essential to the care or well-being of the elderly person or persons. Housing has the same meaning as "project," which is defined in this section.

Mixed population project means a public housing project reserved for elderly families and disabled families. This is the project type referred to in NAHA as being designated for elderly and disabled families. A PHA that has a mixed population project or intends to develop one need not submit an allocation plan or request a designation. However, the project must meet the requirements of 24 CFR part 960 subpart D.

Near-elderly family means a family whose head, spouse, or sole member is a near-elderly person. The term "near-elderly family" includes two or more near-elderly persons living together, and one or more near-elderly persons living with one or more persons who are determined to be essential to the care or well-being of the near-elderly person or persons. A near-elderly family may include other family members who are not near-elderly.

Near-elderly person means a person who is at least 50 years of age but below the age of 62, who may be a person with a disability.

Non-elderly disabled person means a person with a disability who is less than 62 years of age.

Person with disabilities means a person who—

(c) Has a developmental disability as defined in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(5)).

The term “person with disabilities” does not exclude persons who have the disease of acquired immunodeficiency syndrome or any conditions arising from the etiologic agent for acquired immunodeficiency syndrome.

Portion of project includes: One or more buildings in a multi-building project; one or more floors of a project or projects; a certain number of dwelling units in a project or projects. (Designation of a portion of a project does not require that the buildings, floors or units be contiguous.)

Project means low-income housing developed, acquired, or assisted by a PHA under the U.S. Housing Act of 1937 (other than section 8) for which there is an Annual Contributions Contract (ACC) between HUD and the PHA. For purposes of this part, the terms *housing* and *public housing* mean the same as project. Additionally, as used in this part, and unless the context indicates otherwise, the term *project* when used in the singular includes the plural, and when used in the plural, includes the singular, and also includes a “portion of a project,” as defined in this section.

Public housing or *public housing project*. See definition of “project” in this section.

Service provider means a person or organization qualified and experienced in the provision of supportive services, and that is in compliance with any licensing requirements imposed by State or local law for the type of service or services to be provided.
