

17th Street, N.W., Suite G-2200, Washington, DC 20503; Telephone, (202) 395-7332) and the following requirements of 24 CFR part 84 apply to subgrantees receiving HOME funds that are private nonprofit organizations: §§ 84.12, 84.22, 84.23, 84.25, 84.51, 84.52, and 84.71.

(c) *Alternatives to bonding.* For construction contracts that exceed the amount for small purchase under 24 CFR 85.36, each contractor shall be required to provide bid guarantees and adequate assurance of performance and payment acceptable to HUD in accordance with 24 CFR 85.36(h). Performance and payment bonds for 100 percent of the total contract price are acceptable to HUD. There may be circumstances under which the bonding requirements of § 85.36(h) are inconsistent with other responsibilities and obligations of the grantee. Alternative methods to provide performance and payment assurance may include:

(1) Deposit with the grantee of a cash escrow of not less than 20 percent of the total contract price, subject to reduction during the warranty period, commensurate with potential risk;

(2) Letter of credit for 25 percent of the total contract price, unconditionally payable upon demand of the grantee, subject to reduction during the warranty period commensurate with potential risk.

§ 954.503 Audit.

Audits of the grantee and subgrantees must be conducted in accordance with 24 CFR parts 44 and 45, as applicable.

§ 954.504 Closeout.

(a) A grant will be closed out when all the following criteria have been met:

(1) All funds to be closed out have been drawn down and expended for completed project costs, or funds not drawn down and expended have been deobligated by HUD;

(2) Project Completion Reports for all projects using funds to be closed out have been submitted. HUD will use data contained in the project completion reports in the preparation of the Closeout Reports;

(3) The grantee has been reviewed and audited and HUD has determined

that all requirements, including affordability (for which also see paragraph (b)(2) of this section), are met or all monitoring and audit findings have been resolved.

(i) A signed copy of the grantee's most recent audit report—covering all funds to be closed out—must be received by HUD. If the audit review by the Department of Interior (DOI) results in significant delays, the Area ONAP may request a signed copy of the audit prior to DOI review and use it as the document needed prior to closeout. If the audit does not cover all funds to be closed out, the closeout may proceed, provided the grantee agrees in the Closeout Report that any costs paid with the funds that were not audited must be subject to the grantee's next single audit and that the grantee may be required to repay to HUD any disallowed costs based on the results of the audit.

(ii) The on-site monitoring of the grantee by the Area ONAP must include verification of data reflected in the Closeout Report and reconciliation of any discrepancies which may exist between HUD data and grantee records.

(b) The Closeout Report contains the final data on the funds and must be signed by the grantee and HUD. In addition, the report must contain:

(1) A provision regarding unaudited funds ("closeout subject to audit"), required by paragraph (a)(3)(i) of this section; and

(2) A provision requiring the grantee to continue to meet the requirements applicable to housing projects for the period of affordability specified in § 954.306 or § 954.307, to keep records demonstrating that the requirements have been met and to repay the HOME funds, as required by § 954.500, if the housing fails to remain affordable for the required period.

§ 954.505 Recordkeeping.

(a) *General.* Each grantee must establish and maintain sufficient records to enable HUD to determine whether the grantee has met the requirements of this part. Records must be kept in a manner that identifies the source and use of funds for each project.

(b) *Period of record retention.* (1) Except as provided in paragraphs (b)(2),
