§ 26.7 Financial assistance for program participants.

(a) Individuals or families with a family member participating in the Employment Assistance program may be granted financial assistance, as needed, based upon rates established by the Area Director for the respective areas or jurisdictions within those areas.

(b) Not more than thirty (30) percent of the funds appropriated for any program year may be used to pay for the costs of administration. Administrative costs include salaries and fringe benefits of direct program administrative positions such as program director or program officer, program/financial analyst, labor market analyst, clerical personnel, travel costs, materials, supplies, equipment, space and utilities. The remaining seventy (70) percent of funds available may be used for transportation and subsistence enroute to employment location; subsistence for one month or until the first paycheck from employment is received; emergency assistance is allowed where verified emergencies justify such grants and must have Area Director approval; and supportive services. Supportive services includes tools for employment, initial union dues, transportation of household effects, security and safety deposits, personal appearance and housewares, child care, and costs of employment counselors engaged in providing services to applicants (salaries, fringe benefits and travel costs).

(c) Marital status of applicants is not a consideration for determining eligibility for services, but this factor is a
