and for Indian-controlled contract schools operating dormitories.

(b) These academic standards and dormitory criteria will take effect thirty (30) days after the date of their publication in the FEDERAL REGISTER. The Bureau of Indian Affairs intends to review and evaluate the applicability of the academic standards and dormitory criteria under this part after two years and make appropriate revisions.

(c) The information collection requirement contained in § 36.61(a) has been approved by the Office of Management and Budget under 44 U.S.C. 3507 and assigned clearance number 1076-0092. The information is being collected to evaluate waiver request(s) from tribal government(s) and school board(s). The information will be used to ascertain the approval of academic waiver request. The obligation to respond is mandatory under 25 U.S.C. 2001. The information collection requirements contained in §§ 36.71(g), 36.74(f), and 36.76(b) of this rule are not required to be approved by the Office of Management and Budget since less than ten persons or tribes are affected by the information collection requirement of this rule. However, when ten or more persons or tribes become affected by this requirement, the Bureau will submit an approval request.

§ 36.2 Applicability.

(a) The minimum academic standards for the basic education of Indian children established under this part, subparts B through G, are mandatory for all Bureau of Indian Affairs operated schools unless a tribal governing body or the local school board, if so designated by the tribal governing body, waives, in part or in whole, the standards established under this part. When a tribe(s) formally takes action to waive, in total or in part, standards contained in this part, proof of such action shall be forwarded to the Agency Superintendent for Education (ASE) or area Education Programs Administrator (EPA). Within 15 days of receipt of such documentation the ASE or EPA shall notify, in writing, the parents or legal guardians whose children are attending the school(s) affected.

(b) The minimum academic standards for the education of Indian children es-

tablished under subparts B through G are not applicable to Indian-controlled contract schools unless the Indian-controlled contract school board formally adopts them in whole or in part. The Bureau will not refuse to enter into a contract on the basis of failure to meet these standards but will, through contracting procedures, assist the school in reaching compliance, if so requested by the Indian-controlled contract school board.

(c) The national criteria for dormitory situations established under subpart H will serve as a minimum requirement and shall be mandatory for all Bureau-operated and Indian-controlled contract schools.

(d) Standards and criteria contained under this part will serve as minimum requirements for the regular school educational program.

(e) In states where additional minimum academic standards exist or are established, those state standards shall also apply.
