

§ 36.40

25 CFR Ch. I (4-1-03 Edition)

(c) A school with an average enrollment of fewer than 75 students may offer subjects in alternate years. If schools use this pattern, alternating pairs of subjects shall be listed and approved by the Agency Superintendent for Education or Area Education Programs Administrator, as appropriate.

(d) Credits earned through approved correspondence or extension study may be accepted if such credits are from schools approved or accredited by the state in which they are located or by a college or university which is regionally accredited for such purposes.

(e) Students who successfully complete the requirements of the High School Proficiency Examination in the State in which the school is located shall receive an endorsement so stating on their diplomas.

Subpart E—Instructional Support

§ 36.40 Standard XIII—Library/media program.

(a) Each school shall provide a library/media program which shall, as a minimum, meet the applicable state and/or regional standards, but shall not be limited to these, and shall include the following:

(1) A written set of instructional and service objectives shall be established that is integrated and consistent with the school's educational goals and philosophy. The librarian or educational media specialist, with students and staff, shall set objectives based on assessed academic and residential needs. The program and services will be evaluated yearly by the principal and the librarian or educational media specialist to determine the degree to which all objectives have been met.

(2) A written policy for the selection of materials and equipment shall be developed by a library committee in collaboration with the librarian and be approved by the school board. The collection of materials shall include as a minimum the following:

(i) A collection of books suitable for the range of student abilities and interests being served in the following ADM ratios.

(A) Elementary K-6, 15 books per student

(B) Middle 7-8, 12 books per student

(C) Secondary 9-12, 10 books per student

It is required that materials pertaining to Indian Tribes and/or Alaskan Natives be integrated within this basic collection.

(ii) Eight (8) to 12 percent of the basic collection must be composed of reference books, currently relevant and in a state of good physical condition, for practical use. Single copies of the principal textbooks used to complement instruction shall be in the collection, but textbooks cannot be counted toward this standard.

(iii) A periodical collection, suitable for the range of student abilities and interests being served, consisting of one (1) periodical for every ten (10) students, shall be maintained. Schools of over 200 will have a base collection of 20 periodicals.

(iv) A professional collection for the school staff shall be developed and maintained by the librarian in cooperation with a faculty committee.

(v) A variety of audio-visual materials, suitable for the range of instruction being provided, of at least 750 items or five (5) items for each student, whichever is larger, and inclusive of materials located in the classrooms shall be maintained. This category includes some of each of the following: Tactile objects, globes, models, maps, films, film-strips, microforms, slides, audio and video tapes, recordings, transparencies and graphics, and the equipment to use all of these. Multiple items within a specific set of materials will be counted as separate items.

(3) There shall be a library media center serviced by a librarian. Schools with fewer than 200 students are encouraged, wherever feasible, to cooperate in sharing librarian resources. Schools within an Agency and/or Area may cooperatively share the costs and services of a librarian who shall facilitate sharing of the combined available resources among the cooperating schools in accordance with the following ratios:

School Enrollment (ADM)

Up to 100— $\frac{1}{5}$ time librarian

101-200— $\frac{1}{5}$ time librarian and $\frac{1}{2}$ time library aide or 20 hours of library activity

Bureau of Indian Affairs, Interior

§ 36.42

201-400—1 full-time librarian or $\frac{2}{3}$ time librarian provided the school has a full-time library aide

401+—1 full-time librarian and a full-time library aide

(4) All libraries must conduct an annual inventory of available books, materials, and equipment in accordance with the acquisitions and selection policies.

§ 36.41 Standard XIV—Textbooks.

(a) Each school shall establish a textbook review committee composed of teachers, parents, and students, and school board members. Appointment to the textbook review committee shall be subject to school board approval.

(b) The textbook review committee shall establish a procedure and criteria for the annual review of textbooks and other materials used to complement instruction. The criteria shall include, but not be limited to, the following:

(1) The textbook content shall meet the course objectives which are within the adopted school curriculum.

(2) The textbooks shall, as much as possible, reflect cultures accurately.

(3) The textbooks shall be current, in good physical condition, and varied in reading levels.

(c) Each school shall equitably distribute instructional materials to all classrooms. Each school shall inventory all property and equipment annually prior to requisitioning additional materials. Copies of the inventory shall be kept on file by the school staff.

§ 36.42 Standard XV—Counseling services.

Each school shall offer student counseling services concerned with physical, social, emotional, intellectual, and vocational growth for each individual. Counseling services shall be included in a school-wide assessment program.

(a) Each Agency and Area, as appropriate, shall institute and supervise an assessment program for its schools in order to provide for the objective assessment of student academic performance. Required formal tests shall be administered annually to all regular program students in grades 4, 8, and 12. (The testing of special education and gifted/talented students shall be in ac-

cordance with respective regulations.) If required by state certification standards, schools may use the state mandated academic achievement tests and accompanying requirements. These formal tests and their subtest contents, as well as the test-related procedures, shall include, but not be limited to, the following:

(1) Each Spring, schools shall conduct testing for grades 4, 8, and 12 using a current version of a standardized academic achievement test based upon the national assessment standards designed to assess higher order thinking skills. All schools shall keep a current record, with the Office of Indian Education Programs, of the test the school administrators each Spring and the testing dates.

(2) Schools shall use some form of performance-based or authentic assessment in addition to standardized achievement testing.

(3) Each school shall report the summative results of its assessment program to its respective Agency or Area, as appropriate, and its school board.

(4) Parents/guardians shall be informed of their children's assessment results and provided with an explanation and interpretation to ensure adequate understanding of the results.

(5) Each school's instructional program shall establish an ongoing student academic assessment program to ensure that defined assessment procedures are in place. The program shall include regular training in basic assessment procedures and routines for all teachers and other staff involved in student assessment.

(6) Each Agency and Area, as appropriate, shall report the results of each school's formal Spring tests to the Office of Indian Education Programs by August 1 of each year. Summative information from performance-based and authentic assessments shall be reported at the same time.

(b) Each counseling program shall provide the following:

(1) Each school having a minimum school ADM of 200 students shall make provisions for the full-time professional services of a counselor, and each
