

§41.8

25 CFR Ch. I (4–1–03 Edition)

study to determine whether there is justification to encourage and maintain a Community College for such tribe or tribes. The feasibility study shall give consideration to the following factors:

- (1) Financial feasibility based upon potential enrollment;
- (2) Evidence of low tribal levels of tribal matriculation in and graduation from postsecondary educational institutions;
- (3) Tribal, linguistics, or cultural differences;
- (4) Isolation;
- (5) Presence of alternate education sources;
- (6) Proposed curriculum;
- (7) The benefits of continued and expanded educational opportunities for Indian students.

(c) The Director of Education will issue detailed guidelines for conducting and analyzing the feasibility studies.

(d) Feasibility studies under this section shall be conducted in consultation with the tribal governing body or bodies involved or their designated representatives. Each feasibility study shall be completed and filed by the Director of Education within sixty (60) days after the feasibility study has been initiated. The study shall be filed with (1) the Assistant Secretary, (2) the tribal governing body or bodies requesting the studies, and (3) with the board of directors, regents, or trustees of the Community College, if already established.

(e) In the case of any feasibility study which results in a negative determination by the Director of Education, a Tribe requesting the study may within thirty (30) days of receipt of the study or of notice of such determination file a notice of appeal with the Assistant Secretary. Following the timely filing of a Tribe's notice of appeal, the Tribe and Community College shall have a right to a formal review of the feasibility study, including a hearing upon reasonable notice within sixty (60) days before the Assistant Secretary (or his/her designee, other than the Director of Education or any federal employee under the Director's supervision). At the hearing, the appealing Tribe or the Community College (or both) may present additional evi-

dence or arguments to justify feasibility. Within thirty (30) days of the hearing, the Assistant Secretary shall issue a written ruling either confirming, modifying, or reversing the original determination. The ruling, which shall be final for the Department, shall be mailed or otherwise delivered to the appealing Tribe and the Community College within one week of its issuance. In any case where the original negative determination is not reversed, the Assistant Secretary's ruling shall specify the grounds for the decision and state the manner in which the determination related to each of the factors specified.

(f) A negative determination shall not prevent a Tribe from requesting another feasibility study, but no more than one feasibility study shall be requested for any given Community College per year.

§41.8 Grants.

(a) Each Community College which has received a positive feasibility study determination under §41.7 of this subpart shall be entitled to apply for financial assistance under this subpart.

(b) Except with respect to applications for grants for the 1979–1980 academic year, each Community College shall make an application to the Director of Education before January 31, of the year preceding the academic year for which financial assistance is requested. Each application must contain the following information:

(1) The name and address of the Community College and the names of the members of the governing board and the number of its members who are Indian;

(2) A statement that the Community College has received a positive feasibility determination and the date thereof;

(3) A written statement of the goals, philosophy, or proposed plan of operation sufficient to demonstrate that its education program or proposed program is designed to meet the needs of Indians;

(4) In the case of a Community College which has been in operation for more than one year, a statement of the total number of FTE Indian students

and the total number of all FTE students;

(5) If the Community College has not yet begun operations, a statement of expected enrollment, including the total number of FTE students and the number of FTE Indian students;

(6) The name and address of the Indian Tribe or Tribes which control or operate and manage, or have established, sanctioned, or chartered the Community College, and a statement as to which of those Tribes have not done so with respect to any other Community College;

(7) A curriculum, which may be in the form of a college catalog or like publication;

(8) A proposed budget, showing total expected operating expenses of education programs and expected revenues from all sources for the academic year to which the information applies;

(9) An assurance that the Community College will not deny admission to any Indian student because that student is not a member of a specific tribe or because such student is a member of a specific tribe, and will comply with the requirements set forth in §41.11 of this subpart together with any request and justification for a specific waiver of any requirement of 25 CFR part 276 which the Community College believes to be inappropriate;

(10) Certification by the chief executive officer of the Community College that the information on the application is complete and correct and that the application has been filed with the governing body or bodies of the Tribe or Tribes which control or have sanctioned or chartered it.

(c)(1) Within thirty (30) days of receiving an application required under paragraph (b) of this section, the Director of Education shall review the application submitted by the Community College and any comments with respect thereto filed by the Tribe(s) or by any national Indian organization(s) whose assistance has been requested by the Community College, and make a grant

award in an amount determined under paragraph (d) of this section to the Community College if the application qualifies the Community College to receive a grant.

(2) In the case of any Community College whose application is not approved, the Director shall promptly send a notice of such action to the Community College. Such notice shall include a statement of the specific reasons for not approving the application and a statement advising the College of its right within thirty (30) days to amend or supplement the application on file to rectify the defect.

(3) Final disapproval of a grant application by the Director after the thirty day period referred to in paragraph (c)(2) of this section, or a failure of the Director of Education to approve an application within thirty (30) days of its receipt may be appealed by a Community College in the same manner as provided in paragraphs (d) and (f) of §41.7.

(4) A Grant award under an approved application shall be evidenced by a grant agreement, signed by the Director of Education, incorporating the application and the provisions required by §41.11.

(d)(1) In fiscal year 1980, each Community College which qualifies for a grant will receive a grant for academic year 1979-80; thereafter each Community College which qualifies for a grant shall receive a grant for the academic year commencing after the date of approval of its application. Except as provided in paragraph (d)(3) of this section grants shall be in an amount equal to \$4,000 multiplied by the number of FTE Indian students in attendance at such college during each academic term divided by the number of academic terms in the academic year, except that no such grant shall exceed the annual operating expenses of the education programs provided by the Community College. The mathematical formula for calculating the base grant is BG (Base Grant)=

$$\$4,000 \times \frac{FTE_{TERM1} + FTE_{TERM2} + \dots + FTE_{TERMN}}{N}$$

§41.8**25 CFR Ch. I (4-1-03 Edition)**

where FTE is the Indian FTE for each of the academic terms during the academic year calculated in conformity with §41.3(g) of this subpart and N is the number of academic terms in the academic year.

(2) For the first Federal fiscal year for which funds are appropriated for grants under this subpart, not less than eight (8) nor more than fifteen (15) grants shall be approved; priority in awarding such grants shall be given to Community Colleges which are operating on October 17, 1978, and which have a history of service to the Indian people. (If more than fifteen (15) Community Colleges meeting these two (2) conditions submit applications for the first fiscal year, a further priority for awarding grants among them shall be given to those who appear to be in the best position to fulfill the purpose of the Act and to those whose continued existence would be threatened if they did not receive such a grant).

(3) All grants under this section shall be subject to the availability of appropriations and the amount thereof shall be ratably reduced for all Community Colleges if the sums appropriated for any fiscal year for financial assistance under this subpart are not sufficient to pay the full amounts to which the eligible Community Colleges are otherwise entitled under paragraph (d)(1) of this section.

(e) The Director of Education shall authorize payments to each such Community College in advance installments by letter of credit or Treasury check in an amount equal to fifty percent (50%) of the grant amount available for allotment to such Community College for such academic year under paragraph (d) of this section on or before October 1st of such College's academic year (except for 1979-80) or the first day on which appropriations for the fiscal year beginning on such date are available for obligation by BIA whichever occurs later, based on the number of FTE Indian students calculated on the basis of registrations as in effect at the conclusion of the sixth week of the final academic term of the preceding academic year. On or before January 1st (or such other date that is the first day of the fifth month) of such College's academic year, payments

shall be made in the form of advance installments to each Community College in an amount equal to seventy-five percent (75%) of the grant amount available for allotment to such Community College for such academic year under paragraph (d) of this section, calculated on the basis of registrations at the conclusion of sixth week of the academic year, less the amount previously advanced for such academic year. On or before July 1st (or such other date that is the first day of the eleventh month) of each such academic year the balance of the grant amount to which each College is entitled under paragraph (d) of this section shall be paid to such College. In the event that additional sums are appropriated to which such Community Colleges are entitled under section 110(a) of the Act and paragraph (d) of this section, these amounts shall be included in such final payments.

(f) If with respect to any academic year the amounts of financial assistance hereunder have been ratably reduced as provided in paragraph (d)(3) of this section and additional funds have not been appropriated to pay the full amount of such reductions on or before June 1st of such year, the Director of Education shall notify each Community College of such fact in writing, and each Community College shall report in writing to the Director of Education on or before July 1st of such year the amount of unused portion of received funds. The total of such reported unused portions of received funds shall be reallocated by the Director of Education in proportion to the amount of financial assistance to which each Community College is entitled under paragraph (d) but which has not been provided due to the ratably reductions provided for therein, (except that no Community College shall receive more than the total annual cost of the education programs provided by such College) and payments shall be made reflecting such reallocations on or before August 1st of such academic year.

(g) If the Director of Education determines that a Community College has received, through mistake or fraud, payments of financial assistance under this subpart to which it was not entitled, the Director shall promptly notify

Bureau of Indian Affairs, Interior

the college, which may appeal the Director's determination under the procedures set forth in §41.7, and adjust the amount of payments to the college under this subpart for the same or subsequent academic years to compensate for such overpayments or otherwise attempt to recover such overpayments.

(h) Eligibility for grants under this subpart shall not, by itself, bar a Community College from qualifying for or receiving financial assistance under any other Federal program for which it may qualify.

§41.9 Reports.

Each Community College receiving financial assistance under this subpart shall provide to the Director of Education on or before December 1st of each year a report which shall include an accounting of the amounts and purposes for which such financial assistance was expended during the preceding academic year; the annual cost of education programs of the Community College from all sources for such academic year; and a final report of the performance based upon the criteria set forth in the Community College's stated goals, philosophy or plan of operation. Upon reasonable cause, the Director of Education may extend the period for submitting the annual report. Each Community College shall in addition report to the Director of Education its FTE Indian student enrollment for each academic term of the academic year within three weeks of the date such FTE calculation is made.

§41.10 Technical assistance.

The Director of Education shall furnish technical assistance either directly or through contract to any Community College requesting it. Such assistance shall be initiated within thirty (30) days of a Community College's request in writing. In any case, where the type and source of technical assistance is specified in the request, the Director, to the extent possible or feasible, shall provide the type of technical assistance through the source so specified. Technical assistance may include, but is not limited to, consulting services for the development of programs, plans, and feasibility studies and accounting, and other technical

advice. In awarding of contracts for technical assistance, preference shall be given to an organization designated by the Community College to be assisted. Denials of requests for technical assistance under this section shall be made in writing and sent to the applicant within thirty (30) days of the request, together with a statement of the reason for denial. An appeal under this section may be undertaken in the same manner as in the case of negative determinations of feasibility under §41.7 of his subpart.

§41.11 General provisions.

The general requirements for grant administration in this section are applicable to all grants provided under this subpart to Community Colleges:

(a) Services or assistance provided to Indians by Community Colleges aided under this subpart shall be provided in a fair and uniform manner, and admission to any such Community College shall not be denied to any Indian student because such individual is not a member of a specific Indian tribe or because such individual is a member of a specific Indian tribe.

(b) Except as may be otherwise provided in this subpart, any Community College receiving financial assistance under this subpart shall comply with part 276 of this title, subject to any express waiver of specific inappropriate provisions of part 276 that may be granted by the Assistant Secretary after request and justification by the Community College.

(c) A Community College shall have the right to appeal any adverse decision of the Director of Education under a grant agreement to the Assistant Secretary by filing written notice of appeal with the Assistant Secretary within thirty (30) days after the adverse decision. Within thirty (30) days after receiving notice of appeal, the Assistant Secretary shall conduct a formal hearing at which time the College may present evidence and argument to support its appeal. Within thirty (30) days of the hearing, the Assistant Secretary shall issue a written ruling on the appeal confirming, modifying, or reversing the Director of Education's decision, the Assistant Secretary shall
