

§ 77.3

28 CFR Ch. I (7–1–03 Edition)

by any State or Territory of the United States or the District of Columbia or by any federal court, that prescribe ethical conduct for attorneys *and* that would subject an attorney, whether or not a Department attorney, to professional discipline, such as a code of professional responsibility. The phrase does not include:

(1) Any statute, rule, or regulation which does not govern ethical conduct, such as rules of procedure, evidence, or substantive law, whether or not such rule is included in a code of professional responsibility for attorneys;

(2) Any statute, rule, or regulation that purports to govern the conduct of any class of persons other than attorneys, such as rules that govern the conduct of all litigants and judges, as well as attorneys; or

(3) A statute, rule, or regulation requiring licensure or membership in a particular state bar.

(i) The phrase *state of licensure* means the District of Columbia or any State or Territory where a Department attorney is duly licensed and authorized to practice as an attorney. This term shall be construed in the same manner as it has been construed pursuant to the provisions of Pub. L. 96–132, 93 Stat. 1040, 1044 (1979), and Sec. 102 of the Departments of Commerce, Justice and State, the Judiciary, and Related Agency Appropriations Act, 1999, Pub. L. 105–277.

(j)(1) The phrase *where such attorney engages in that attorney's duties* identifies which rules of ethical conduct a Department attorney should comply with, and means, with respect to particular conduct:

(i) If there is a case pending, the rules of ethical conduct adopted by the local federal court or state court before which the case is pending; or

(ii) If there is no case pending, the rules of ethical conduct that would be applied by the attorney's state of licensure.

(2) A Department attorney does not “engage[] in that attorney's duties” in any states in which the attorney's conduct is not substantial and continuous, such as a jurisdiction in which an attorney takes a deposition (related to a case pending in another court) or directs a contact to be made by an inves-

tigative agent, or responds to an inquiry by an investigative agent. Nor does the phrase include any jurisdiction that would not ordinarily apply its rules of ethical conduct to particular conduct or activity by the attorney.

(k) The phrase *to the same extent and in the same manner as other attorneys* means that Department attorneys shall only be subject to laws and rules of ethical conduct governing attorneys in the same manner as such rules apply to non-Department attorneys. The phrase does not, however, purport to eliminate or otherwise alter state or federal laws and rules and federal court rules that expressly exclude some or all government attorneys from particular limitations or prohibitions.

[Order No. 2216–99, 64 FR 19275, Apr. 20, 1999, as amended by Order No. 2650–2003, 68 FR 4929, Jan. 31, 2003]

§ 77.3 Application of 28 U.S.C. 530B.

In all criminal investigations and prosecutions, in all civil investigations and litigation (affirmative and defensive), and in all civil law enforcement investigations and proceedings, attorneys for the government shall conform their conduct and activities to the state rules and laws, and federal local court rules, governing attorneys in each State where such attorney engages in that attorney's duties, to the same extent and in the same manner as other attorneys in that State, as these terms are defined in § 77.2 of this part.

§ 77.4 Guidance.

(a) *Rules of the court before which a case is pending.* A government attorney shall, in all cases, comply with the rules of ethical conduct of the court before which a particular case is pending.

(b) *Inconsistent rules where there is a pending case.* (1) If the rule of the attorney's state of licensure would prohibit an action that is permissible under the rules of the court before which a case is pending, the attorney should consider:

(i) Whether the attorney's state of licensure would apply the rule of the court before which the case is pending, rather than the rule of the state of licensure;

(ii) Whether the local federal court rule preempts contrary state rules; and
