protection on checking accounts, and the unlicensed renewal or rescheduling of credits or loans in existence as of the effective date, whether by affirmative action or operation of law.

(b) The prohibition in § 538.205 applies to financial services including loans or credits extended in any currency.

§ 538.415 Payments involving Sudan.

Before a United States financial institution initiates a payment subject to the prohibitions contained in this part on behalf of any customer, or credits a transfer subject to such prohibitions to the account on its books of the ultimate beneficiary, the U.S. financial institution must determine that the transfer is not prohibited by this part.

§ 538.416 Payments from blocked accounts to U.S. exporters and for other obligations prohibited.

No debits may be made to a blocked account to pay obligations to U.S. persons or other persons, including payment for goods, technology or services exported prior to the effective date, except as authorized pursuant to this part.

Subpart E—Licenses, Authorizations, and Statements of Licensing Policy

§ 538.501 Effect of license or authorization.

(a) No license or other authorization contained in this part, or otherwise issued by or under the direction of the Director of the Office of Foreign Assets Control, authorizes or validates any transaction effected prior to the issuance of the license, unless specifically provided in such license or authorization.

(b) No regulation, ruling, instruction, or license authorizes any transaction prohibited under this part unless the regulation, ruling, instruction, or license is issued by the Office of Foreign Assets Control and specifically refers to this part. No regulation, ruling, instruction, or license referring to this part shall be deemed to authorize any transaction prohibited by any provision of this chapter unless the regula-

tion, ruling, instruction or license specifically refers to such provision.

(c) Any regulation, ruling, instruction, or license authorizing any transaction otherwise prohibited under this part has the effect of removing a prohibition or prohibitions contained in this part from the transaction, but only to the extent specifically stated by its terms. Unless the regulation, ruling, instruction, or license otherwise specifies, such an authorization does not create any right, duty, obligation, claim, or interest in, or with respect to, any property which would not otherwise exist under ordinary principles of law.

§ 538.502 Exclusion from licenses and authorizations.

The Director of the Office of Foreign Assets Control reserves the right to exclude any person, property, or transaction from the operation of any license, or from the privileges therein conferred, or to restrict the applicability thereof with respect to particular persons, property, transactions, or classes thereof. Such action shall be binding upon all persons receiving actual or constructive notice of such exclusion or restriction.

§ 538.503 Payments and transfers to blocked accounts in U.S. financial institutions.

Any payment of funds or transfer of credit in which the Government of Sudan has any interest, that comes within the possession or control of a U.S. financial institution, must be blocked in an account on the books of that financial institution. A transfer of funds or credit by a U.S. financial institution between blocked accounts in its branches or offices is authorized, provided that no transfer is made from an account within the United States to an account held outside the United States, and further provided that a transfer from a blocked account may only be made to another blocked account held in the same name.

NOTE TO § 538.503: Please refer to § 501.603 of this chapter for mandatory reporting requirements regarding financial transfers. See also § 538.203 concerning the obligation to hold blocked funds in interest-bearing accounts.
