official statements of organizations to which the applicant belongs or refers in his application, that the applicant desires to be considered by the authority reviewing his application. The burden is on the applicant to obtain and forward such information.

§ 75.10 Statement (counseling concerning Veterans Administration benefits).

I have been advised of the provisions of 38 U.S.C. 3103 concerning possible nonentitlement to benefits administered by the Veterans Administration due to discharge from the military service as a conscientious objector under certain conditions. I understand that a discharge as a conscientious objector, who refused to perform military duty or otherwise to comply with lawful orders of competent military authority, shall bar all rights, based upon the period of service from which discharged, under any laws administered by the Veterans Administration except my legal entitlement (if any) to any war risks, government (converted) or National Service Life Insurance.

§ 75.11 Statement (counseling concerning designation as conscientious objector).

I have been counseled concerning designation as a conscientious objector. Based on my religious training and belief, I consider myself to be a conscientious objector within the meaning of the statute and regulations governing conscientious objectors and am conscientiously opposed to participation in combatant training and service. I request assignment to noncombatant duties for the remainder of my term of service. I fully understand that on expiration of my current term of service I am not eligible for voluntary enlistment, reenlistment, or active service in the Armed Forces.
