37 CFR Ch. II (7–1–03 Edition)

by the grantee to a successor in title, the notice is served on the grantee; or

(ii) If there is reason to believe that such rights have been transferred by the grantee to a particular successor in title, the notice is served on such successor in title.

(3) For purposes of paragraph (d)(2) of this section, a *reasonable investigation* includes, but is not limited to, a search of the records in the Copyright Office; in the case of a musical composition with respect to which performing rights are licensed by a performing rights society, a “reasonable investigation” also includes a report from that performing rights society identifying the person or persons claiming current ownership of the rights being terminated.

(4) Compliance with the provisions of paragraphs (d)(2) and (d)(3) of this section will satisfy the service requirements of section 203, section 304(c), or section 304(d) of title 17, U.S.C., whichever applies. However, as long as the statutory requirements have been met, the failure to comply with the regulatory provisions of paragraph (d)(2) or (d)(3) of this section will not affect the validity of the service.

(e) *Harmless errors.* (1) Harmless errors in a notice that do not materially affect the adequacy of the information required to serve the purposes of section 203, section 304(c), or section 304(d) of title 17, U.S.C., whichever applies, shall not render the notice invalid.

(2) Without prejudice to the general rule provided by paragraph (e)(1) of this section, errors made in giving the date or registration number referred to in paragraph (b)(1)(iii), (b)(2)(iii), or (b)(2)(iv) of this section, or in complying with the provisions of paragraph (b)(1)(vii) or (b)(2)(vii) of this section, or in describing the precise relationships under paragraph (c)(2) or (c)(3) of this section, shall not affect the validity of the notice if the errors were made in good faith and without any intention to deceive, mislead, or conceal relevant information.

(f) *Recordation.* (1) A copy of the notice of termination will be recorded in the Copyright Office upon payment of the fee prescribed by paragraph (2) of this paragraph (f) and upon compliance with the following provisions:

(i) The copy submitted for recordation shall be a complete and exact duplicate of the notice of termination as served and shall include the actual signature or signatures, or a reproduction of the actual signature or signatures, appearing on the notice; where separate copies of the same notice were served on more than one grantee or successor in title, only one copy need be submitted for recordation; and

(ii) The copy submitted for recordation shall be accompanied by a statement setting forth the date on which the notice was served and the manner of service, unless such information is contained in the notice.

(2) The fee for recordation of a document is prescribed in § 201.3(c).

(3) The date of recordation is the date when all of the elements required for recordation, including the prescribed fee and, if required, the statement referred to in paragraph (f)(1)(ii) of this section, have been received in the Copyright Office. After recordation, the document, including any accompanying statement, is returned to the sender with a certificate of record.

(4) Recordation of a notice of termination by the Copyright Office is without prejudice to any party claiming that the legal and formal requirements for issuing a valid notice have not been met.

§ 201.11 Satellite carrier statements of account covering statutory licenses for secondary transmissions for private home viewing.

(a) *General.* This section prescribes rules pertaining to the deposit of Statements of Account and royalty fees in the Copyright Office as required by the satellite carrier license of section 119(b)(1) of title 17 of the United States Code, as amended by Pub. L. 103–369, in order that certain secondary transmissions by satellite carriers for private home viewing be subject to statutory licensing.

(b) *Definitions.* (1) The terms *distributor*, *network station*, *private home viewing*, *satellite carrier*, *subscriber*, *superstation*, and *unserved household* have the meanings set forth in section 119(d) of title 17 of the United States Code, as amended by Pub. L. 103-369.

(2) The terms *primary transmission* and *secondary transmission* have the meanings set forth in section 111(f) of title 17 of the United States Code.

(c) *Accounting periods and deposit.* (1) Statements of Account shall cover semiannual accounting periods of January 1 through June 30, and July 1 through December 31, and shall be deposited in the Copyright Office, together with the total statutory royalty fee or the confirmed arbitration royalty fee for such accounting periods as prescribed by section 119(b)(1)(B) and (c)(3) of title 17, by not later than July 30, if the Statement of Account covers the January 1 through June 30 accounting period, and by not later than the immediately following January 30, if the Statement of Account covers the July 1 through December 31 accounting period.

(2) Upon receiving a Statement of Account and royalty fee, the Copyright Office will make an official record of the actual date when such statement and fee were physically received in the Copyright Office. Thereafter, the Licensing Division of the Copyright Office will examine the statement and fee for obvious errors or omissions appearing on the face of the documents, and will require that any such obvious errors or omissions be corrected before final processing of the documents is completed. If, as the result of communications between the Copyright Office and the satellite carrier, an additional fee is deposited or changes or additions are made in the Statement of Account, the date that additional deposit or information was actually received in the Office will be added to the official record of the case. However, completion by the Copyright Office of the final processing of a Statement of Account and royalty fee deposit shall establish only the fact of such completion and the date or dates of receipt shown in the official record. It shall in no case be considered a determination that the Statement of Account was, in

fact, properly prepared and accurate, that the correct amount of the royalty fee had been deposited, that the statutory time limits for filing had been met, or that any other requirements to qualify for a statutory license have been satisfied.

(3) Statements of Account and royalty fees received before the end of the particular accounting period they purport to cover will not be processed by the Copyright Office. Statements of Account and royalty fees received after the filing deadlines of July 30 or January 30, respectively, will be accepted for whatever legal effect they may have, if any.

(4) In the Register's discretion, four years after the close of any calendar year, the Register may close out the royalty payments account for that calendar year, and may treat any funds remaining in such account and any subsequent deposits that would otherwise be attributable to that calendar year as attributable to the succeeding calendar year.

(d) *Forms.* (1) Each Statement of Account shall be furnished on an appropriate form prescribed by the Copyright Office, and shall contain the information required by that form and its accompanying instructions. Computation of the copyright royalty fee shall be in accordance with the procedures set forth in the forms. Copies of Statement of Account forms are available free upon request to the Library of Congress, Copyright Office, Licensing Division, 101 Independence Avenue, SE, Washington, DC 20557-6400.

(2) The form prescribed by the Copyright Office is designated "Statement of Account for Secondary Transmissions by Satellite Carriers to Home Viewers."

(e) *Contents.* Each Statement of Account shall contain the following information:

(1) A clear designation of the accounting period covered by the Statement.

(2) The designation "Owner" followed by:

(4) The designation "Superstations," followed by:

(i) The call sign of each superstation signal carried for each month of the period covered by the Statement, and

(5) The designation "Network Stations," followed by:

(ii) The total number of subscribers to each network station for each month of the period covered by the Statement. This number is the number of subscribers to each network station receiving the retransmission on the last day of each month.

(6) The total number of subscribers to each superstation for the six-month period covered by the Statement multiplied by the statutory royalty rate prescribed in § 258.3 of this chapter.

(7) The total number of subscribers to each network station for the six-month period covered by the Statement multiplied by the statutory royalty rate prescribed in § 258.3 of this chapter.

(8) The name, address, business title, and telephone number of the individual or individuals to be contacted for infor-

mation or questions concerning the content of the Statement of Account.

I, the undersigned Owner or Agent of the Satellite Carrier, or Officer or Partner, if the Satellite Carrier is a Corporation or Partnership, have examined this Statement of Account and hereby declare under penalty of law that all statements of fact contained herein are true, complete, and correct to the best of my knowledge, information, and belief, and are made in good faith.

(18 U.S.C., section 1001 (1986))

(f) *Royalty fee payment.* All royalty fees may be paid by electronic transfer of funds, provided the payment is received in the designated United States Federal Reserve Bank by the filing deadline for the relevant accounting period. Except in the case of an electronic payment, the royalty fee payable for the period covered by the Statement of Account shall accompany that Statement of Account and shall be deposited at the Copyright Office with it. Payment must be in the form of a certified check, cashier's check, or a money order, payable to: Register of Copyrights; or a United States Treasury electronic payment.

(g) *Corrections, supplemental payments, and refunds.* (1) Upon compliance with the procedures and within the time limits set forth in paragraph (g)(3) of this section, corrections to Statements of Account will be placed on record, supplemental royalty fee payments

will be received for deposit, or refunds will be issued, in the following cases:

(i) Where, with respect to the accounting period covered by a Statement of Account, any of the information given in the Statement filed in the Copyright Office is incorrect or incomplete; or

(ii) Where calculation of the royalty fee payable for a particular accounting period was incorrect, and the amount deposited in the Copyright Office for that period was either too high or too low.

(2) Corrections to Statements of Account will not be placed on record, supplemental royalty fee payments will not be received for deposit, and refunds will not be issued, where the information in the Statements of Account, the royalty fee calculations, or the payments were correct as of the date on which the accounting period ended, but changes (for example, addition or deletion of a signal) took place later.

(3) Requests that corrections to a Statement of Account be placed on record, that fee payments be accepted, or requests for the issuance of refunds, shall be made only in the cases mentioned in paragraph (g)(1) of this section. Such requests shall be addressed to the Licensing Division of the Copyright Office, and shall meet the following conditions:

(i) The request must be in writing, must clearly identify its purpose, and, in the case of a request for a refund, must be received in the Copyright Office before the expiration of 30 days from the last day of the applicable Statement of Account filing period, or before the expiration of 30 days from the date of receipt at the Copyright Office of the royalty payment that is the subject of the request, whichever time period is longer. A telegraphic or similar unsigned communication will be considered to meet this requirement if it clearly identifies the basis of the request, if it is received in the Copyright Office within the required 30-day period, and if a written request meeting all the conditions of this paragraph (g)(3) is also received in the Copyright Office within 14 days after the end of such 30-day period:

(ii) The Statement of Account to which the request pertains must be suf-

ficiently identified in the request (by inclusion of the name of the owner of the satellite carrier and the accounting period in question) so that it can be readily located in the records of the Copyright Office;

(iii) The request must contain a clear statement of the facts on which it is based and provide a clear basis on which a refund may be granted, in accordance with the following procedures:

(A) In the case of a request filed under paragraph (g)(1)(i) of this section, where the information given in the Statement of Account is incorrect or incomplete, the request must clearly identify the erroneous or incomplete information and provide the correct or additional information:

(B) In the case of a request filed under paragraph (g)(1)(ii) of this section, where the royalty fee was miscalculated and the amount deposited in the Copyright Office was either too high or too low, the request must be accompanied by an affidavit under the official seal of any officer authorized to administer oaths within the United States, or a statement in accordance with section 1746 of title 28 of the United States Code, made and signed in accordance with paragraph (e)(9) of this section. The affidavit or statement shall describe the reasons why the royalty fee was improperly calculated and include a detailed analysis of the proper royalty calculation.

(iv)(A) All requests filed under this paragraph (g) must be accompanied by a filing fee in the amount of \$15 for each Statement of Account involved. Payment of this fee may be in the form of a personal or company check, or of a certified check, cashier's check or money order, payable to: Register of Copyrights. No request will be processed until the appropriate filing fees are received.

(B) All requests that a supplemental royalty fee payment be received for deposit under this paragraph (g) must be accompanied by a remittance in the full amount of such fee. Payment of the supplemental royalty fee must be in the form of certified check, cashier's check, or money order, payable to: Register of Copyrights; or electronic

§ 201.12

37 CFR Ch. II (7-1-03 Edition)

payment. No such request will be processed until an acceptable remittance in the full amount of the supplemental royalty fee has been received.

(v) All requests submitted under this paragraph (g) must be signed by the satellite carrier owner named in the Statement of Account, or the duly authorized agent of the owner, in accordance with paragraph (e)(9) of this section.

(vi) A request for a refund is not necessary where the Licensing Division, during its examination of a Statement of Account or related document, discovers an error that has resulted in a royalty overpayment. In this case, the Licensing Division will forward the royalty refund to the satellite carrier owner named in the Statement of Account without regard to the time limitations provided for in paragraph (g)(3)(i) of this section.

(4) Following final processing, all requests submitted under this paragraph (g) will be filed with the original Statement of Account in the records of the Copyright Office. Nothing contained in this paragraph shall be considered to relieve satellite carriers from their full obligations under title 17 of the United States Code, and the filing of a correction or supplemental payment shall have only such effect as may be attributed to it by a court of competent jurisdiction.

(h) *Interest.* (1) Royalty fee payments submitted as a result of late or amended filings will include interest. Interest will begin to accrue beginning on the first day after the close of the period for filing statements of account for all underpayments or late payments of royalties for the satellite carrier statutory license for secondary transmissions for private home viewing occurring within that accounting period. The accrual period will end on the date appearing on the certified check, cashier's check, money order, or electronic payment submitted by a satellite carrier, provided that such payment is received by the Copyright Office within five business days of that date. If the payment is not received by the Copyright Office within five business days of its date, the accrual period will end on the date of actual receipt by the Copyright Office.

(2)(i) The interest rate applicable to a specific accounting period beginning with the 1992/2 period shall be the Current Value of Funds Rate, as established by section 8025.40 of the Treasury Financial Manual and published in the FEDERAL REGISTER, in effect on the first business day after the close of the filing deadline for that accounting period. Satellite carriers wishing to obtain the interest rate for a specific accounting period may do so by consulting the FEDERAL REGISTER for the applicable Current Value of Funds Rate, or by contacting the Licensing Division of the Copyright Office.

(ii) The interest rate applicable to a specific accounting period earlier than the 1992/2 period shall be the rate fixed by the Licensing Division of the Copyright Office pursuant to 37 CFR 201.11(h) in effect on June 30, 1992.

(3) Interest is not required to be paid on any royalty underpayment or late payment from a particular accounting period if the interest charge is less than or equal to five dollars (\$5.00).

(a) Written, nonprofit contracts providing for the equitable sharing of costs of videotapes and their transfer, as identified in section 111(e)(2) of title 17 of the United States Code as amended by Pub. L. 94-553, will be filed in the Copyright Office Licensing Division by recordation upon payment of the prescribed fee. The document submitted for recordation shall meet the following requirements:

(1) It shall be an original instrument of contract; or it shall be a legible photocopy or other full-size facsimile reproduction of an original, accompanied by a certification signed by at least one of the parties to the contract, or an authorized representative of that party, that the reproduction is a true copy;
