§ 39.2 Scope of the State cemetery grants program.

(a) Subject to the availability of an appropriation, the Secretary may approve grants to assist any State in establishing, expanding, or improving veterans' cemeteries which are or will be owned by such State. In order to qualify for assistance under this program, a cemetery must be operated solely for the interment of veterans, their wives, husbands, surviving spouses, minor children, and unmarried adult children who were physically or mentally disabled and incapable of self-support.

(Authority: 38 U.S.C. 2408(c)(2) and 101(4))

(b) The amount of the Federal contribution to a state is limited to 50 percent of the combined value of the land

to be acquired or dedicated for cemetery purposes and the dollar value of the improvements to be made. The remaining 50 percent of the project's cost will be contributed by the State.

(Authority: 38 U.S.C. 2408(b)(2))

(c) A State may dedicate for the purposes of the cemetery involved land which it already owns. The value of land of this nature can be included in the computation of the State's portion of the funding for the establishment of a State veterans' cemetery. The value of the land, however, cannot exceed 50 percent of the State's total contribution to the project's cost and may not be used as part of a State's contribution for any subsequent grant. "Uniform Appraisal Standards for Federal Land Acquisitions" (Interagency Land Acquisition Conference—1973) shall be used as guidelines when determining the value of the land.

(Authority: 38 U.S.C. 2408(b)(3))

(d) Any grant under this part made on or after November 21, 1997, is made on the condition that after the date of receipt of the grant the State receiving the grant, subject to requirements for receipt of notice in 38 U.S.C. 2408 and 2411, will prohibit in the cemetery for which the grant is furnished the interment of the remains of or the memorialization of any person:

(1) Who has been convicted of a Federal capital crime for which the person was sentenced to death or life imprisonment;

(2) Who has been convicted of a State capital crime for which the person was sentenced to death or life without parole; or

(3) Who has been found by an appropriate State official, under procedures to be established by the State, to have committed a Federal or State capital crime but to have not been convicted of such crime by reason of unavailability for trial due to death or flight to avoid prosecution.
