

will be returned as an administrative expense of the Government to the place of actual residence or any other location, not to exceed the cost to the authorized destination.

§ 302-7.18 Who is liable for any loss or damage to HHG incident to an authorized relocation?

When transporting HHG under the commuted rate or actual expense method and a commercial HHG carrier is used, the carrier accepts limited liability for any loss or damage in accordance with HHG carrier tariffs. For transporting HHG by self drive equipment for a do-it-yourself-move and for any loss or damage not covered by the HHG carrier, see part 302-11 of this chapter.

§ 302-7.19 Should I include items that are irreplaceable or of extremely high monetary or sentimental value in my HHG shipment?

Generally no; items that are irreplaceable or of extremely high monetary or sentimental value should not be included in your HHG shipment. Additional insurance may be purchased, at your expense, to cover any loss or damage, however, such items are not necessarily provided special security. Accordingly, it is advisable that you or an immediate family member(s) transport such items personally.

§ 302-7.20 If my HHG shipment includes an item (e.g. boat, trailer, ultralight vehicle) for which a weight additive is assessed by the HHG carrier, am I responsible for payment?

If your HHG shipment includes an item (e.g. boat or trailer of reasonable size) for which a weight additive is assessed by the HHG carrier (as prescribed in applicable tariffs), and your shipment exceeds the maximum weight prescribed in § 302-7.2, you are responsible for all excess charges and any special packing, crating, and handling of the weight additive item. See § 302-7.200 on how charges are paid and who makes the shipping arrangements.

[FTR Amdt. 108, 67 FR 57969, Sept. 13, 2002]

Subpart B—Commuted Rate

§ 302-7.100 How are the charges of transporting HHG, and temporary storage calculated?

The charges for transporting HHG, and temporary storage are computed by multiplying the number of pounds shipped divided by 100 (within the 18,000 maximum limitation) by the applicable rate per one-hundred pounds for the distance transported. This includes, but is not limited to packing/unpacking, crating/uncrating, drayage, weighing, pickup/delivery, line-haul, accessorial charges, and temporary storage charges, including but not limited to handling in/out, etc. However, your reimbursement may not fully cover your total out-of-pocket expenses. In determining the distance shipped you may use the Household Goods Carriers Mileage Guide (issued by the Household Goods Carriers' Bureau, 1611 Duke Street, Alexandria, VA 22314-3482), tariffs filed with GSA travel management centers, or any other mileage guide authorized by your agency. If the exact mileage is not shown, the next higher mileage distance applies. If there is a minimum weight charge above the actual weight under applicable tariffs, reimbursement will be based on the minimum weight charge instead of the actual weight.

§ 302-7.101 Where can the commuted rate schedules for the transportation of HHG, and temporary storage be found?

The charges for the line-haul transportation, packing, crating, unpacking, drayage incident to transportation, and other accessorial charges for HHG, and temporary storage can be found in the Household Goods Carrier Bureau tariff (issued by the Household Goods Carriers' Bureau, 1611 Duke Street, Alexandria, VA 22314-3482) or by contacting the GSA travel management center or the appropriate office designated in your agency.

§ 302-7.102 How is the mileage distance determined under the commuted rate method?

To determine the distance from the authorized origin to the authorized
