§ 436.408 Categories of aliens who are permanently residing in the United States under color of law.

This section describes aliens that the agency must accept as permanently residing in the United States under color of law and who may be eligible for Medicaid.

(a) An individual may be eligible for Medicaid if the individual is an alien residing in the United States with the knowledge and permission of the Immigration and Naturalization Services (INS) and the INS does not contemplate enforcing the alien's departure. The INS does not contemplate enforcing the alien's departure if it is the policy or practice of INS not to enforce the departure of aliens in the same category, or if from all the facts and circumstances in the case it appears that INS is otherwise permitting the alien to reside in the United States indefinitely, as determined by verifying the alien's status with INS.

(b) Aliens who are permanently residing in the United States under color of law are listed below. None of the categories includes applicants for an Immigration and Naturalization Service status other than those applicants listed in paragraph (b)(6) of this section, or those covered under paragraph (b)(16) of this section. None of the categories allows Medicaid eligibility for non-immigrants: for example, students or visitors. Also listed are the most common documents that the INS provides to aliens in these categories.

(2) Aliens, including Cuban/Haitian entrants, paroled in the United States pursuant to 8 U.S.C. 1182(d)(5) section 212(d)(5) of the Immigration and Nationality Act. Ask for a copy of INS Form I-94 with notation that the alien was paroled pursuant to section 212(d)(5) of the Immigration and Nationality Act. For Cuban/Haitian entrants ask for a copy of INS Form I-94 stamped Cuban/Haitian entrant (Status Pending) reviewable January 15, 1981.
