§ 2882.2-2

use on existing roads, sampling, marking of routes, searching, or other similar activities that do not disturb the surface of the lands or require the removal of vegetation, shall be conducted on Federal lands prior to the issuance of a right-of-way grant or a temporary use permit.

[44 FR 58129, Oct. 9, 1979, as amended at 47 FR 38807, Sept. 2, 1982; 50 FR 1309, Jan. 10, 1985; 51 FR 31765, Sept. 5, 1986]

§ 2882.2 Requirements for applications for right-of-way grants and temporary use permits.

§ 2882.2-1 Applicant qualifications.

(a) An applicant for a right-of-way grant or temporary use permit shall be a citizen of the United States, an association of such citizens, a corporation organized under the laws of the United States, or of any State thereof, or a State or local government. Aliens may not acquire or hold any direct or indirect interest in rights-of-way, right-of-way grants or temporary use permits, except that they may own or control stock in corporations holding rights-of-way, right-of-way grants or temporary use permits if the laws of their country do not deny similar or like privileges to citizens of the United States.

(b) Each application by a partnership, corporation, association, or other business entity shall disclose the identity of the participants in the entity and shall include where applicable:

(1) The name, address, and citizenship of each participant (partner, associate or other);

(2) Where the applicant is a corporation, the name, address, and citizenship of each shareholder owning 3-percent or more of each class of shares, together with the number and percentage of any class of voting shares of the entity which each shareholder is authorized to vote; and

(3) The name and address of each affiliate controlled by, or that controls, the entity, either directly or indirectly. Where an affiliate is controlled by the entity, the application shall disclose the number of shares and the percentage of each class of voting stock of that affiliate owned, directly or indirectly, by the entity. If an affiliate controls the entity, the number of

shares and the percentage of each class of voting stock of the entity owned, directly or indirectly, by the affiliate shall be included.

(c) Applications filed with Federal agencies, such as the Federal Energy Regulatory Commission, to obtain a license, certificate or other authority for a project involving a right-of-way over, upon, under or through Federal lands for an oil and gas pipeline shall be simultaneously filed with the Bureau of Land Management in accordance with the provisions of § 2882.2-3 of this title.

[44 FR 58129, Oct. 9, 1979, as amended at 47 FR 12571, Mar. 23, 1982]

§ 2882.2-2 Application filing.

(a) Where the Federal lands involved are under the jurisdiction of the Bureau of Land Management, Department of the Interior, application for a right-of-way grant or temporary use permit or for a renewal of either shall be filed with either the Area Manager, the District Manager or the State Director of a Bureau of Land Management office having jurisdiction over the Federal lands involved.

(b) Where the Federal lands involved are under the jurisdiction of two or more agencies of the Department of the Interior, or where the Federal lands involved are under the jurisdiction of one or more agencies of the Department of the Interior and one or more other Federal agencies, or where the Federal lands involved are under the jurisdiction of two or more non-Interior agencies, the initial application for a right-of-way grant or temporary use permit may be filed at the most convenient State Office of the Bureau of Land Management, at locations listed in § 1821.2-1 of this title or at the nearest Bureau of Land Management Office that has jurisdiction over a portion of the Federal lands involved. The Director, Bureau of Land Management will, upon notice of the application by field officials, assign a lead official and notify the applicant where all future communications concerning the project should be directed. All applications for temporary use permits that are filed subsequent to the filing of an application for a right-of-way grant shall be filed with the lead official. Applications for renewal of a right-of-way

§ 2882.2-3

grant or temporary use permit shall be filed with the lead official.

(c) Where the Federal lands involved are under the jurisdiction of but one Federal agency, including bureaus and agencies within the Department of the Interior other than the Bureau of Land Management, applications for a right-of-way grant or temporary use permit or renewal of either shall be directed to that agency.

[44 FR 58129, Oct. 9, 1979, as amended at 45 FR 34887, May 23, 1980; 47 FR 12571, Mar. 23, 1982]

§ 2882.2-3 Application content.

(a) Applications for right-of-way grants and temporary use permits shall be filed on a form approved by the Director. The application form shall contain instructions for completion of the form and shall require the following information:

(1) The name and address of the applicant and the applicant's agent, if appropriate;

(2) A description of the applicant's proposal;

(3) A map, USGS quadrangle, aerial photo or equivalent, showing the approximate location of the proposed right-of-way and facilities on public lands and existing improvements adjacent to the proposal, shall be attached to the application. Only the existing adjacent improvements which the proposal may directly affect need be shown on the map;

(4) A statement of the applicant's technical and financial capability to construct, operate, maintain and terminate the proposals;

(5) Certification by the applicant that he/she is of legal age, authorized to do business in the State and that the information submitted is correct to the best of the applicant's knowledge; and

(6) Disclose, to the extent applicable, the applicant's citizenship and the partnership, corporation, association and other business entity information required by § 2882.2-1 of this title.

(b) The applicant may submit additional information to assist the authorized officer in processing the application. Such information may include, but is not limited to, the following:

(1) Federal or State approvals required for the proposal;

43 CFR Ch. II (10-1-03 Edition)

(2) A description of the alternative route(s) and mode(s) considered by the applicant when developing the proposal;

(3) Copies of or reference to similar applications or grants the applicant has submitted or holds;

(4) A statement of need and economic feasibility or other proposal; and

(5) A statement of the environmental, social and economic effects of the proposal.

§ 2882.3 Application processing.

(a) If the grant involves a pipeline 24 inches or more in diameter, BLM will not issue or renew the grant until after we notify the appropriate committees of Congress in accordance with 30 U.S.C. 185(w).

(b) Upon receipt of an application for a right-of-way grant, the authorized officer shall publish a notice of the application in the FEDERAL REGISTER and an announcement in a newspaper or newspapers having general circulation in the vicinity of the Federal lands affected, or, if in the opinion of the authorized officer, the pipeline impacts are of a minor nature, the notice of application may be waived or published only in a newspaper having general circulation in the area or areas in the vicinity of the affected Federal lands. The notice shall contain a description of the pipeline systems as required in § 2882.2-3(a) (2) and (3) of this title, together with such other information as the authorized officer considers pertinent. The notice shall state where the application and related documents are available for interested persons to review. Copies of the notice shall be sent to the Governor of each State within which the pipeline system may be located, the head of each local government or jurisdiction within which the pipeline system may be located, and each agency head, for review and comment.

(c) Where an application for a right-of-way grant or temporary use permit is incomplete or not in conformity with the Act or these regulations, the authorized officer may reject the application or notify the applicant of the deficiencies and afford the applicant an opportunity to file corrections.
