

§ 2883.1-5

(g) All owners of any interest in, and all affiliates or subsidiaries of any holder of a right-of-way grant or temporary use permit, except for corporate stockholders, shall be jointly and severally liable to the United States in the event that a claim cannot be satisfied by a holder.

(h) Except as otherwise expressly provided in this section, the provisions in this section for a remedy is not intended to limit or exclude any other remedy.

(i) If the right-of-way grant or temporary use permit is issued to more than one holder, they shall be jointly and severally liable under this section.

§ 2883.1-5 Common carriers.

(a) Pipelines shall be constructed, operated, and maintained as common carriers. The owners or operators of pipelines shall accept, convey, transport, or purchase without discrimination all oil or gas delivered to the pipeline without regard to whether such oil or gas was produced on Federal or non-Federal lands. In the case of oil or gas produced from Federal lands or from the resources on the Federal lands in the vicinity of the pipeline, the Secretary may, after a full hearing with due notice thereof to interested parties and a proper finding of facts, determine the proportionate amounts to be accepted, conveyed, transported, or purchased.

(b) The common carrier provisions of this section shall not apply to any natural gas pipeline operated by any person subject to regulation under the Natural Gas Act or by any public utility subject to regulation by a State or municipal regulatory agency having jurisdiction to regulate the rates and charges for the sale of natural gas to consumers within the State or municipality. Where natural gas not subject to State regulatory or conservation laws governing its purchase by pipeline companies is offered for sale, each pipeline company shall purchase, without discrimination, any such natural gas produced in the vicinity of the pipeline.

(c) The authorized officer shall require, prior to issuing or renewing a right-of-way grant, that the applicant submit and disclose all plans, contracts, agreements, or other informa-

tion or material which the authorized officer considers necessary to determine whether a right-of-way grant shall be issued or renewed and the terms and conditions which should be included in the grant. Such information may include, but is not limited to:

(1) Conditions for, and agreements among, owners or operators regarding the addition of pumping facilities, looping, or otherwise increasing the pipeline or terminal's throughput capacity in response to actual or anticipated increases in demand;

(2) Conditions for adding or abandoning intake, offtake, or storage points or facilities; and

(3) Minimum shipment or purchase tenders.

§ 2883.1-6 Export.

With certain exceptions, domestically produced crude oil transported through a pipeline is subject to the provisions of section 28(u) of the Mineral Leasing Act of 1920 as amended (30 U.S.C. 185), and the Export Administration Act of 1969 as amended (50 U.S.C. 2401), and may not be exported without Presidential and congressional approval.

§ 2883.2 Holder activity.

(a) The actions of holders of right-of-way grants or temporary use permits shall be regulated by the appropriate agency head having jurisdiction over the Federal lands involved, unless other arrangements are agreed to by the authorized officer and agency head.

(b) An applicant shall promptly notify the authorized officer of any changes in its plans, financial condition, or other factors relevant to the application, and shall modify the application promptly to reflect any such changes. If the requirements of this subsection are not complied with in the opinion of the authorized officer, the application may be rejected.

(c) The holder shall at all times keep the authorized officer informed of his or her address, and in the case of a corporation, of the address of its principle place of business and the names and addresses of its principle officers.

(d) Any proposed change in the route of the pipeline or change in the use of
