Subpart 2932—Special Recreation Permits for Commercial Use, Competitive Events, Organized Groups, and Recreation Use in Special Areas

§ 2932.5 Definitions.

Actual expenses means money spent directly on the permitted activity. These may include costs of such items as food, rentals of group equipment, transportation, and permit or use fees. Actual expenses do not include the rental or purchase of personal equipment, amortization of equipment, salaries or other payments to participants, bonding costs, or profit.

Commercial use means recreational use of the public lands and related waters for business or financial gain.

(1) The activity, service, or use is commercial if—

(i) Any person, group, or organization makes or attempts to make a profit, receive money, amortize equipment, or obtain goods or services, as compensation from participants in recreational activities occurring on public lands led, sponsored, or organized by that person, group, or organization;

(ii) Anyone collects a fee or receives other compensation that is not strictly a sharing of actual expenses, or exceeds actual expenses, incurred for the purposes of the activity, service, or use;

(iii) There is paid public advertising to seek participants; or

(iv) Participants pay for a duty of care or an expectation of safety.

(2) Profit-making organizations and organizations seeking to make a profit are automatically classified as commercial, even if that part of their activity covered by the permit is not profit-making or the business as a whole is not profitable.

(3) Use of the public lands by scientific, educational, and therapeutic

institutions or non-profit organizations is commercial and subject to a permit requirement when it meets any of the threshold criteria in paragraphs (1) and (2) of this definition. The non-profit status of any group or organization does not alone determine that an event or activity arranged by such a group or organization is noncommercial.

Competitive use means—

(1) Any organized, sanctioned, or structured use, event, or activity on public land in which 2 or more contestants compete and either or both of the following elements apply:

(i) Participants register, enter, or complete an application for the event;

(ii) A predetermined course or area is designated; or

(2) One or more individuals contesting an established record such as for speed or endurance.

Organized group activity means a structured, ordered, consolidated, or scheduled event on, or occupation of, public lands for the purpose of recreational use that is not commercial or competitive.

Special area means:

(1) An area officially designated by statute, or by Presidential or Secretarial order;

(2) An area for which BLM determines that the resources require special management and control measures for their protection; or

(3) An area covered by joint agreement between BLM and a State under Title II of the Sikes Act (16 U.S.C. 670a *et seq.*)

Vending means the sale of goods or services, not from a permanent structure, associated with recreation on the public lands or related waters, such as food, beverages, clothing, firewood, souvenirs, photographs or film (video or still), or equipment repairs.

§ 2932.22

(b) If BLM determines that it is necessary, based on planning decisions, resource concerns, potential user conflicts, or public health and safety, we may require you to obtain a Special Recreation Permit for—

 - (iii) Use of special areas.

§ 2932.12 When may BLM waive the requirement to obtain a permit?

We may waive the requirement to obtain a permit if:

- (a) The use or event begins and ends on non-public lands or related waters, traverses less than 1 mile of public lands or 1 shoreline mile, and poses no threat of appreciable damage to public land or water resource values;
- (b) BLM sponsors or co-sponsors the use. This includes any activity or event that BLM is involved in organizing and hosting, or sharing responsibility for, arranged through authorizing letters or written agreements; or
- (c) The use is a competitive event that—
 - (1) Is not commercial;
 - (2) Does not award cash prizes;
 - (3) Is not publicly advertised;
 - (4) Poses no appreciable risk for damage to public land or related water resource values; and
 - (5) Requires no specific management or monitoring.
- (d) The use is an organized group activity or event that—
 - (1) Is not commercial;
 - (2) Is not publicly advertised;
 - (3) Poses no appreciable risk for damage to public land or related water resource values; and
 - (4) Requires no specific management or monitoring.

§ 2932.13 How will I know if individual use of a special area requires a Special Recreation Permit?

BLM will publish notification of the requirement to obtain a Special Recreation Permit to enter a special area in the FEDERAL REGISTER and local and

regional news media. We will post permit requirements at major access points for the special area and provide information at the local BLM office.

§ 2932.14 Do I need a Special Recreation Permit to hunt, trap, or fish?

(a) If you hold a valid State license, you do not need a Special Recreation Permit to hunt, trap, or fish. You must comply with State license requirements for these activities. BLM Special Recreation Permits do not alone authorize you to hunt, trap, or fish. However, you must have a Special Recreation Permit if BLM requires one for recreational use of a special area where you wish to hunt, trap, or fish.

(b) Outfitters and guides providing services to hunters, trappers, or anglers must obtain Special Recreation Permits from BLM. Competitive event operators and organized groups may also need a Special Recreation Permit for these activities.

§ 2932.20 Special Recreation Permit applications.

§ 2932.21 Why should I contact BLM before submitting an application?

If you wish to apply for a Special Recreation Permit, we strongly urge you to contact the appropriate BLM office before submitting your application. You may need early consultation to become familiar with BLM practices and responsibilities, and the terms and conditions that we may require in a Special Recreation Permit. Because of the lead time involved in processing Special Recreation Permit applications, you should contact BLM in sufficient time to complete a permit application ahead of the 180 day requirement (see § 2932.22(a)).

§ 2932.22 When do I apply for a Special Recreation Permit?

(a) For all uses requiring a Special Recreation Permit, except private, noncommercial use of special areas (see paragraph (b) of this section), you must apply to the local BLM office at least 180 days before you intend your use to begin. Through publication in the local media and on-site posting as necessary, a BLM office may require applications for specific types of use
