§ 3400.0-5 Definitions.

As used in this group:

(a) *Alluvial valley floor* has the meaning set forth in 30 CFR Chapter VII.

(b) *Authorized officer* means any employee of the Bureau of Land Management delegated the authority to perform the duty described in the section in which the term is used.

(c) *Bonus* means that value in excess of the rentals and royalties that accrues to the United States because of coal resource ownership that is paid as part of the consideration for receiving a lease.

(d) *Bypass coal* means an isolated coal deposit that cannot, for the foreseeable future, be mined economically and in an environmentally sound manner either separately or as part of any mining operation other than that of the

applicant for either an emergency lease under the provisions of § 3425.1-4 of this title or a lease modification.

(e) *Casual use* means activities which do not ordinarily lead to any appreciable disturbance or damage to lands, resources or improvements, for example, activities which do not involve use of heavy equipment or explosives and which do not involve vehicle movement except over already established roads and trails.

(f) *Certificate of bidding rights* means a right granted by the Secretary to apply the fair market value of a relinquished coal or other mineral lease or right to a preference right coal or other mineral lease as a credit against the bonus bid or bids on a competitive lease or leases acquired at a lease sale or sales, or as a credit against the payment required for a coal lease modification.

(g) *Coal deposits* mean all Federally owned coal deposits, except those held in trust for Indians.

(h) *Department* means the United States Department of the Interior.

Stock ownership or stock control does not constitute an interest in a lease within the meaning of this definition. Attribution of acreage to stock ownership interests in leases is covered by § 3472.1-3(b) of this title.

(r) *Lease* means a Federal lease, issued under the coal leasing provisions of the mineral leasing laws, which grants the exclusive right to explore for and extract coal.
