§ 3809.556 What special requirements apply to financial guarantees described in § 3809.555(e)?

(a) If you choose to use the instruments permitted under § 3809.555(e) in satisfaction of financial guarantee requirements, you must provide BLM, before you begin operations and by the end of each calendar year thereafter, a certified statement describing the nature and market value of the instruments maintained in that account, and including any current statements or reports furnished by the brokerage firm to the operator or mining claimant concerning the asset value of the account.

(b) You must review the market value of the account instruments by December 31 of each year to ensure

that their market value continues to be not less than the required dollar amount of the financial guarantee. When the market value of the account instruments has declined by more than 10 percent of the required dollar amount of the financial guarantee, you must, within 10 calendar days after its annual review or at any time upon the written request of BLM, provide additional instruments, as defined in § 3809.555(e), to the trust account so that the total market value of all account instruments is not less than the required dollar amount of the financial guarantee. You must send a certified statement to BLM within 45 calendar days thereafter describing your actions to raise the market value of its account instruments to the required dollar amount of the financial guarantee. You must include copies of any statements or reports furnished by the brokerage firm to you documenting such an increase.

(c) If your review under paragraph (b) of this section demonstrates that the total market value of trust account instruments exceeds 110 percent of the required dollar amount of the financial guarantee, you may ask BLM to authorize a written release of that portion of the account that exceeds 110 percent of the required financial guarantee. BLM will approve your request only if you are in compliance with the terms and conditions of your notice or approved plan of operations.

BLANKET FINANCIAL GUARANTEE

§ 3809.560 Under what circumstances may I provide a blanket financial guarantee?

(a) If you have more than one notice- or plan-level operation underway, you may provide a blanket financial guarantee covering statewide or nationwide operations instead of individual financial guarantees for each operation.

(b) BLM will accept a blanket financial guarantee if we determine that its terms and conditions are sufficient to comply with the regulations of this subpart.

§ 3809.570

STATE-APPROVED FINANCIAL
GUARANTEE

§ 3809.570 Under what circumstances may I provide a State-approved financial guarantee?

When you provide evidence of an existing financial guarantee under State law or regulations that covers your operations, you are not required to provide a separate financial guarantee under this subpart if—

- (a) The existing financial guarantee is redeemable by the Secretary, acting by and through BLM;
- (b) It is held or approved by a State agency for the same operations covered by your notice(s) or plan(s) of operations; and

- (a) The kinds of individual financial guarantees specified under § 3809.555;
- (b) Participation in a State bond pool, if—
 - (1) The State agrees that, upon BLM's request, the State will use part of the pool to meet reclamation obligations on public lands; and
 - (2) The BLM State Director determines that the State bond pool provides the equivalent level of protection as that required by this subpart; or
- (c) A corporate guarantee that existed on January 20, 2001, subject to the restrictions on corporate guarantees in § 3809.574.

§ 3809.572 What happens if BLM rejects a financial instrument in my State-approved financial guarantee?

If BLM rejects a submitted financial instrument in an existing State-approved financial guarantee, BLM will notify you and the State in writing, with a complete explanation of the reasons for the rejection within 30 calendar days of BLM's receipt of the evidence of State-approved financial guarantee. You must provide BLM with a

43 CFR Ch. II (10–1–03 Edition)

financial guarantee acceptable under this subpart at least equal to the amount of the rejected financial instrument.

§ 3809.573 What happens if the State makes a demand against my financial guarantee?

When the State makes a demand against your financial guarantee, thereby reducing the available balance, you must do both of the following:

- (a) Notify BLM within 15 calendar days; and
- (b) Replace or augment the financial guarantee within 30 calendar days if the available balance is insufficient to cover the remaining reclamation cost.

§ 3809.574 What happens if I have an existing corporate guarantee?

- (a) If you have an existing corporate guarantee on January 20, 2001 that applies to public lands under an approved BLM and State agreement, your corporate guarantee will continue in effect. BLM will not accept any new corporate guarantees or increases to existing corporate guarantees. You may not transfer your existing corporate guarantee to another operator.
- (b) If the State revises existing corporate guarantee criteria or requirements that apply to a corporate guarantee existing on January 20, 2001, the BLM State Director will review the revisions to ensure that adequate financial coverage continues. If the BLM State Director determines it is in the public interest to do so, the State Director may terminate a revised corporate guarantee and require an acceptable replacement financial guarantee after due notice and a reasonable time to obtain a replacement.
