Subpart 5510—Free Use of Timber; General

§ 5510.0-3 Authority.

(a) *Nonsale disposals Act of June 3, 1878.* (1) Authority for free use of timber on mineral and nonmineral public lands. Section 5511 is issued under authority of the Act of June 3, 1878 (20 Stat. 88; 16 U.S.C. 604 through 606) and March 3, 1891 (26 Stat. 1093; 16 U.S.C. 607), as supplemented by the Act of January 11, 1921 (41 Stat. 1088; 16 U.S.C. 604, 612), settlers upon public lands, citizens and bona fide residents of the State, and corporations doing business in the State may obtain free use permit for timber.

(2) Authority for the issuance of regulations governing the free use of timber for fuel in drilling operations by oil and gas lessees is contained in section 32 of the Act of February 25, 1920 (41 Stat. 405; 30 U.S.C. 189).

CROSS REFERENCE: For additional free use privileges, see § 5511.3.

(b) *Nonsale disposals Act of July 23, 1955.* The Act of July 23, 1955, *supra*, authorizes the Secretary of the Interior in his discretion to permit free use of timber or other vegetative resources or mineral materials by any Federal or State governmental agency, unit or subdivision, including municipalities, or any association or corporation not organized for profit for use other than for commercial or industrial purposes or resale. The Act of July 23, 1955, *supra*, also provides in part, under certain circumstances, for a mining claimant to obtain free-use of timber from other Bureau administered land

in lieu of timber disposed of by the Bureau from lands covered by his mining locations. See § 5511.3-8.

(c) *Nonsale disposals Act of May 14, 1898.* Section 5511.2 is issued under the authority of section 11, 30 Stat. 414, as amended; 48 U.S.C. 423. Section 5511.2 appears at 19 FR 8880, Dec. 23, 1954. (1) Section 11 of the Act of May 14, 1898 (30 Stat. 414; 48 U.S.C. 423), empowers the Secretary of the Interior to permit the use of timber found upon the public lands in Alaska by actual settlers residents, individual miners, and prospectors for minerals for firewood, fencing, buildings, mining, prospecting, and for domestic purposes as may actually be needed by such persons for such purposes. This section was amended by the Act of June 15, 1938 (52 Stat. 699), so as to permit the use of such timber by churches, hospitals, and charitable institutions for firewood, fencing, buildings, and for other domestic purposes.

Subpart 5511—Free Use Regulations

§ 5511.1 Act of 1878.

§ 5511.1-1 Free use of timber on mineral and nonmineral public lands.

(a) *Lands on which timber may be cut.* Free-use permits to cut timber may be issued covering public lands as follows:

(1) Mineral lands, unoccupied and unreserved and not subject to entry under existing laws of the United States, except for mineral entry, in the States of Arizona, Colorado, Idaho, Montana, Nevada, New Mexico, North Dakota, South Dakota, Utah, and Wyoming. (Act of June 3, 1878, 20 Stat. 88; 16 U.S.C. 604 through 606);

(2) Nonmineral, unoccupied, and unreserved public lands in the States mentioned and also in the States of California, Oregon, and Washington.

(b) *Kind of timber which may be cut.* The proper protection of the timber and undergrowth necessarily varies with the nature of the topography, soil, and forest. No timber not matured may be cut, and each tree taken must be utilized for some beneficial domestic purpose. Persons taking timber for specific purposes will be required to take only such matured trees as will work

up to such purpose without unreasonable waste. Stumps will be cut so as to cause the least possible waste and all trees will be utilized to as low a diameter in the tops as possible. All brush, tops, logs, and other forest debris made in felling and removing timber under this section shall be disposed of as best adapted to the protection of the remaining growth and in such manner as shall be prescribed by the authorized officer, and failure on the part of the applicant, or an agent cutting for an applicant, to comply with this requirement will render him liable for all expenses incurred by the authorized officer in putting this regulation into effect.

(c) *Area of land to be cut over.* The permits shall limit the area of cutting to embrace only so much land as is necessary to produce the quantity of timber applied for.

(d) *Use which may be made of timber.* Timber may be cut under approved permit when actually needed for firewood, fencing, building, or other agricultural, mining, manufacturing, and domestic purposes.

(e) *Exportation of timber.* Timber may not be exported from the State in which it is cut except:

(1) Timber from a specified area in Wyoming may be exported into Idaho (Act of July 1, 1898, 30 Stat. 618; 16 U.S.C. 607, 611);

(2) Timber from a specified area in Montana may be exported into Wyoming (Act of March 3, 1901, 31 Stat. 1439; 16 U.S.C. 607, 613);

(3) Under the Act of March 3, 1919 (40 Stat. 1321; 16 U.S.C. 608), citizens of Malheur County, Oregon, may cut timber in Idaho and remove such timber to Malheur County, Oregon;

(4) Under the Act of March 3, 1919 (40 Stat. 1322; 16 U.S.C. 609), citizens of Modoc County, California, may cut timber in Nevada and remove such timber to Modoc County, California;

(5) Timber from a specified area in Arizona may be exported into Utah (Act of February 27, 1922, 42 Stat. 398; 16 U.S.C. 610);

(6) Citizens of Bear Lake County, Idaho, may cut timber from public lands in Lincoln County, Wyoming, and remove such timber to Bear Lake County, Idaho, but no live standing

timber may be taken without compensation (Act of August 21, 1935, 49 Stat. 665; 16 U.S.C. 611a).

(f) *Application and permit*—(1) *Information to be furnished by applicant.* (i) Applications should be filed in duplicate and should set forth the names and post-office addresses of the applicants, and any agent or agents who may be employed to procure the timber. Where a corporation is the applicant, the State in which it was incorporated should also be shown.

(ii) Blank forms for making application may be procured from the State Director for the State in which the timber to be removed is located.

(iii) Applications should show the amount of timber required by each applicant; the use to be made thereof; a description of the land from which the timber is to be cut, by subdivision, section, township, and range, if surveyed, or by natural objects sufficient to identify the same if unsurveyed; and the date it is desired to begin cutting.

(2) *Duration of permit.* All rights and privileges under a permit shall terminate at the expiration of the period of 1 year from the date of approval of the permit.

(g) *Agents*—(1) *Cutting of timber by agents.* Where one or more persons desire timber, and are not in a position to procure the same for themselves, an agent or agents may be appointed for that purpose. Such agent shall not be paid more than a fair recompense for the time, labor, and money expended in procuring the timber and manufacturing the same into lumber, and no charge shall be made for the timber itself. The said compensation must be set forth in a written contract to be entered into by the parties, and a copy thereof must be filed with the application.

(2) *Cutting of timber by agent who is a sawmill operator.* If the amount of timber applied for exceeds \$50 in stumpage value, for any continuous period of 12 months, and the timber is to be procured by an agent who is a sawmill operator, a bond equal to three times the amount of the stumpage value of the timber applied for will be required,

Bureau of Land Management, Interior

§ 5511.2-3

conditioned upon the faithful performance of the requirements.

[35 FR 9790, June 13, 1970, as amended at 60 FR 50450, Sept. 29, 1995]

§ 5511.1-2 [Reserved]

§ 5511.1-3 Use of timber on lands covered by grazing leases, by lessees, and others.

(a) Before taking timber under a lease issued under section 15 of the Taylor Grazing Act, as amended by the Act of June 26, 1936 (49 Stat. 1978; 43 U.S.C. 315m), the lessee should file application for and procure a permit in accordance with the regulations issued under the Acts of June 3, 1878 (20 Stat. 88; 16 U.S.C. 604 through 606), and March 3, 1891 (26 Stat. 1093; 16 U.S.C. 607), §§ 5510.0-3(a) and 5511.1-1(a) to 5511.1-1(g).

(b) Where application is made by a person other than the lessee to take timber from lands embraced in a grazing lease issued under section 15 of the said Act, investigation should be made to ascertain the facts in the case and whether or not the cutting of the timber applied for would adversely affect the lands for grazing purposes. If no objection appears, the permit may issue but should contain a provision that the timber cutting thereunder must be done in such manner as will not interfere with the rights of the lessee.

(c) All applications for timber should be filed with the State Director for the State in which the timber to be cut is located and should comply with the regulations contained in § 5511.1-1.

(Sec. 1, 20 Stat. 88, as amended, 26 Stat. 1003, as amended; 16 U.S.C. 604, 607)

§ 5511.2 Act of 1898 (Alaska).

§ 5511.2-1 Free use privilege; cutting by agent.

Free use permits will not be issued where the applicant owns or controls lands having an adequate supply of timber to meet his needs.

[35 FR 9790, June 13, 1970, as amended at 60 FR 50451, Sept. 29, 1995; 62 FR 51377, Oct. 1, 1997]

§ 5511.2-2 Free use of timber for Government purposes.

Persons contracting with Government officials to furnish firewood or timber for United States Army posts or for other authorized Government purposes may procure it from the vacant and unreserved public lands in Alaska free of charge, provided the contracts do not include any charge for the value of the firewood or timber. Where it is desired to procure timber for such use, an application for permit in duplicate on a form approved by the Director must be filed, as in other cases, and a copy of the contract must be attached to the application.

§ 5511.2-3 Permits.

(a) *Application for permit.* Before timber is cut for free use, an application for permit in duplicate on a form approved by the Director must be filed in an office or with an employee of the Bureau of Land Management in Alaska.

(b) *Issuance and cancellation of permit; removal of timber; bond.* (1) A permit may be issued and shall incorporate the provisions, if any, governing the selection, removal, and use of the materials. One copy of the official form shall be returned to the applicant showing the approval or rejection of such application.

(2) The authorized officer may cancel a permit if the permittee fails to observe its terms and conditions, or the regulations in §§ 5511.2-1 to 5511.2-6, or if the permit has been issued erroneously.

(3) No timber shall be removed until the permit is issued. If deemed necessary by the signing officer, a bond, satisfactory to him, may be required as a guarantee of faithful performance of the provisions of the permit and the regulations in §§ 5511.2-1 to 5511.2-6.

(c) *Cutting rules and restrictions.* All free-use timber shall be cut and removed in accordance with approved forestry and conservation practices so as to preserve to the maximum extent feasible all scenic, recreational, watershed, and other values of the land and resources. In the free-use disposal of timber, the cutting and removal shall be accomplished in such manner as to
