§ 4.6 What procedures apply to the selection of programs and activities under these regulations?

(b) Each State that adopts a process shall notify the Director of FEMA's programs and activities selected for that process.

(c) A State may notify the Director of changes in its selections at any time. For each change, the State shall submit to the Director an assurance that the State has consulted with local elected officials regarding the change. FEMA may establish deadlines by which States are required to inform the Director of changes in their program selections.

(d) The Director uses a State's process as soon as feasible, depending on individual programs and activities, after the Director is notified of its selections.

§ 4.7 How does the Director communicate with State and local officials concerning FEMA's programs and activities?

(a) For those programs and activities covered by a state process under § 4.6, the Director, to the extent permitted by law:

(1) Uses the state process to determine views of State and local elected officials; and,

(2) Communicates with State and local elected officials, through the state process, as early in a program planning cycle as is reasonably feasible to explain specific plans and actions.

(b) The Director provides notice to directly affected State, areawide, regional, and local entities in a State of proposed Federal financial assistance or direct Federal development if:

This notice may be made by publication in the FEDERAL REGISTER or other appropriate means, which FEMA in its discretion deems appropriate.

§ 4.8 How does the Director provide an opportunity to comment on proposed Federal financial assistance and direct Federal development?

(a) Except in unusual circumstances, the Director gives state processes or directly affected State, areawide, regional and local officials and entities at least 60 days from the date established by the Director to comment on proposed direct Federal development or Federal financial assistance.

(b) This section also applies to comments in cases in which the review, coordination, and communication with FEMA have been delegated.

(c) Applicants for programs and activities subject to section 204 of the Demonstration Cities and Metropolitan Act shall allow areawide agencies a 60-day opportunity for review and comment.

§ 4.9 How does the Director receive and respond to comments?

(a) The Director follows the procedures in § 4.10 if:

(2) That office or official transmits a state process recommendation for a program selected under § 4.6.

(b)(1) The single point of contact is not obligated to transmit comments from State, areawide, regional or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a State has not established a process, or is unable to submit a state process recommendation, State, areawide, regional and local officials and entities may submit comments to FEMA.

(d) If a program or activity is not selected for a state process, State, areawide, regional and local officials and entities may submit comments to FEMA. In addition, if a state process recommendation for a nonselected program or activity is transmitted to FEMA by the single point of contact, the Director follows the procedures of § 4.10 of this part.

(e) The Director considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Director is not required to apply the procedures of § 4.10 of this part, when such comments are provided by a single point of contact, by the applicant or directly to FEMA by a commenting party.

§ 4.10 How does the Director make efforts to accommodate intergovernmental concerns?

(a) If a state process provides a state process recommendation to FEMA through its single point of contact, the Director either:

- (1) Accepts the recommendation;
- (2) Reaches a mutually agreeable solution with the state process; or
- (3) Provides the single point of contact with such written explanation of the decision, as the Director in his or her discretion deems appropriate. The Director may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.
