

(iii) At the time of acceptance into the program, is not currently receiving child care assistance from another source, including a parent or guardian, which would continue to be provided while the participant serves in the program; and

(iv) Certifies that he or she needs child care in order to participate in the program.

(2) *Provider eligibility.* Eligible child care providers are those who are eligible child care providers as defined in the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n(5)).

(3) *Child care allowance.* The amount of the child care allowance will be determined by the Corporation based on payment rates for the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858c(4)(A)).

(4) *Corporation share.* The Corporation will pay 100 percent of the child care allowance, or, if the program provides child care through an eligible provider, the actual cost of the care or the amount of the allowance, whichever is less.

(b) *Health care.* (1) Grantees must provide to all eligible participants who meet the requirements of paragraph (b)(2) of this section health care coverage that—

(i) Provides the minimum benefits determined by the Corporation;

(ii) Provides the alternative minimum benefits determined by the Corporation; or

(iii) Does not provide all of either the minimum or the alternative minimum benefits but that has a fair market value equal to or greater than the fair market value of a policy that provides the minimum benefits.

(2) *Participant eligibility.* A full-time participant is eligible for health care benefits if he or she is not otherwise covered by a health benefits package providing minimum benefits established by the Corporation at the time he or she is accepted into a program. If, as a result of participation, or if, during the term of service, a participant demonstrates loss of coverage through no deliberate act of his or her own, such as parental or spousal job loss or disqualification from Medicaid, the participant will be eligible for health care benefits.

(3) *Corporation share.* (i) Except as provided in paragraph (b)(3)(ii) of this section, the Corporation will pay up to 85% of the cost of health care coverage that includes the minimum or alternative minimum benefits and is not excessive in cost.

(ii) The Corporation will pay no share of the cost of a policy that does not provide the minimum or alternative minimum benefits described in paragraphs (b)(1)(i) and (b)(1)(ii) of this section.

Subpart C—Application Requirements

§ 2522.300 What are the application requirements for AmeriCorps program grants?

All eligible applicants seeking AmeriCorps program grants must—

(a) Provide a description of the specific program(s) being proposed, including the type of program and of how it meets the minimum program requirements described in § 2522.100; and

(b) Comply with any additional requirements as specified by the Corporation in the application package.

§ 2522.310 What are the application requirements for AmeriCorps educational awards only?

(a) Eligible applicants may apply for AmeriCorps educational awards only for one of the following eligible service positions: (1) A position for a participant in an AmeriCorps program that:

(i) Is carried out by an entity eligible to receive support under part 2521 of this chapter;

(ii) Would be eligible to receive assistance under this part, based on criteria established by the Corporation, but has not applied for such assistance;

(2) A position facilitating service-learning in a program described in parts 2515 through 2519 of this chapter;

(3) A position involving service as a crew leader in a youth corps program or a similar position supporting an AmeriCorps program; and

(4) Such other AmeriCorps positions as the Corporation considers to be appropriate.

(b) Because programs applying only for AmeriCorps educational awards must, by definition, meet the same

§ 2522.320

basic requirements as other approved AmeriCorps programs, applicants must comply with the same application requirements specified in § 2522.300.

§ 2522.320 May an applicant submit more than one application to the Corporation for the same project at the same time?

No. The Corporation will reject an application for a project if an application for funding or educational awards for the same project is already pending before the Corporation.

Subpart D—Selection of AmeriCorps Programs

§ 2522.400 How will the basic selection criteria be applied?

From among the eligible programs that meet the minimum program requirements and that have submitted applications to the Corporation, the Corporation must select the best ones to receive funding. Although there is a wide range of factors that must be taken into account during the selection process, there are certain fundamental selection criteria that apply to all programs in each grant competition, regardless of whether they receive funding or educational awards directly or through subgrants. States and other subgranting applicants are required to use these criteria during the competitive selection of subgrantees. The Corporation may adjust the relative weight given to each criterion. (Additional and more specific criteria will be published in the applications).

§ 2522.410 What are the basic selection criteria for AmeriCorps programs?

The Corporation will consider how well the program will be able to achieve the three impacts mentioned in paragraph (a) of this section as demonstrated by the program design, the capacity of the organization to carry it out and other factors relating to need. The Corporation will also consider the extent to which the program promotes the Corporation's goals; and the extent to which the program contributes to the overall diversity of programs desired by the Corporation. These criteria are discussed in this section. Additional detail relating to these cri-

teria may be published in any notice of availability of funding.

(a) *Program impacts.* The Corporation will consider the extent to which the program: (1) Achieves direct and demonstrable results;

(2) Strengthens communities; and

(3) Promotes citizenship and increases educational opportunities for participants.

(b) *Program Criteria.*—(1) *Program design.* The Corporation will consider four factors relating to the program design: (i) The quality of the program proposed to be carried out directly by the applicant or supported by a grant from the applicant;

(ii) The innovative aspects of the AmeriCorps program;

(iii) The feasibility of replicating the program; and

(iv) The sustainability of the program, based on evidence such as the existence of strong and broad-based community support for the program and of multiple funding sources or private funding.

(2) *Organizational capacity.* The Corporation will also consider an organization's capacity to carry out the program based on—

(i) The quality of the leadership of the AmeriCorps program;

(ii) The past performance of the organization or program; and

(iii) The extent to which the program builds on existing programs.

(c) *Need criteria.* In selecting programs, the Corporation will take into consideration the extent to which projects address State-identified issue priorities (if the program will be funded out of formula funds) or national priorities (if the program will be funded out of competitive funds), and whether projects would be conducted in areas of need.

(1) *Issue priorities.* In order to concentrate national efforts on meeting certain educational, public safety, human, or environmental needs, and to achieve the other purposes of this Act, the Corporation will establish, and after review of the strategic plan approved by the Board, periodically alter priorities regarding the AmeriCorps programs that will receive assistance (funding or approved AmeriCorps positions) and the purposes for which such
