§ 302.51 Distribution of support collections.

The State plan shall provide as follows:

(a)(1) For purposes of distribution in a IV-D case, amounts collected, except as provided under paragraph (a)(3) of this section, shall be treated first as payment on the required support obligation for the month in which the support was collected and if any amounts are collected which are in excess of such amount, these excess amounts shall be treated as amounts which represent payment on the required support obligation for previous months.

(2) In title IV-A and title IV-E foster care cases in which conversion to a monthly amount is necessary because

§ 302.52

45 CFR Ch. III (10–1–03 Edition)

support is ordered to be paid other than monthly, the IV-D agency may round off the converted amount to whole dollar amount for the purpose of distribution under this section and § 302.52 of this part.

(3) Amounts collected through Federal income tax refund offset must be distributed as arrearages in accordance with § 303.72(h) of this chapter, and section 457(a)(2)(B)(iv) of the Act.

(4)(i) Effective October 1, 1998 (or October 1, 1999 if applicable) except with respect to those collections addressed under paragraph (a)(3) of this section and except as specified under paragraph (a)(4)(ii) of this section, with respect to amounts collected and distributed under title IV-D of the Act, the date of collection for distribution purposes in all IV-D cases is the date of receipt in the State disbursement unit established under section 454B of the Act.

(ii) If current support is withheld by an employer in the month when due, and received by the State in a month other than the month when due, the date of withholding may be deemed to be the date of collection.

(iii) When the date of collection pursuant to this subparagraph is deemed to be the date the wage or other income was withheld, and the employer fails to report the date of withholding, the IV-D agency must reconstruct that date by contacting the employer or comparing actual amounts collected with the pay schedule specified in the court or administrative order.

(b) If an amount collected as support represents payment on the required support obligation for future months, the amount shall be applied to such future months. However, no such amounts shall be applied to future months unless amounts have been collected which fully satisfy the support obligation assigned under section 403(a)(8) of the Act for the current month and all past months.

(c)(1) The amounts collected by the IV-D agency which represent specific dollar amounts designated in the support order for medical purposes that have been assigned to the State under 42 CFR 433.146 shall be forwarded to the Medicaid agency for distribution under 42 CFR 433.154.

(2) When a family ceases receiving assistance under the State's title XIX plan, the assignment of medical support rights under section 1912 of the Act terminates, except for the amount of any unpaid medical support obligation that has accrued under such assignment. Under this requirement, any medical support collection made by the IV-D agency under this paragraph shall be forwarded to the Medicaid agency for distribution under 42 CFR 433.154.
