

§ 1.1925

returning an account to the Commission for subsequent referral to the Department of Justice for litigation.

(b) Funding of collection service contracts. (1) The Commission may fund a collection service contract on a fixed-fee basis, that is, payment of a fixed fee determined without regard to the amount actually collected under the contract. Payment of the fee under this type of contract must be charged to available agency appropriations.

(2) The Commission may also fund a collection service contract on a contingent-fee basis, that is, by including a provision in the contract permitting the contractor to deduct its fee from amounts collected under the contract. The fee should be based on a percentage of the amount collected, consistent with prevailing commercial practice.

(3) The Commission may enter into a contract under paragraph (b)(1) of this section only if and to the extent provided in advance appropriation acts or other legislation, except that this requirement does not apply to the use of a revolving fund authorized by statute.

(4) Except as authorized under paragraph (b)(2) of this section, or unless the receipt qualifies as a refund to the appropriation, or unless otherwise specifically provided by law, the Commission must deposit all amounts recovered under collection service contracts (or by agency employees on behalf of the agency) in the Treasury as miscellaneous receipts pursuant to 31 U.S.C. 3302.

(c) The Commission will consider the use of collection agencies at any time after the account is 61 days past due. In any case where an account is six months or more past due, the Commission may turn it over to a collection agency unless referred for litigation or unless arrangements have been made for a workout procedure or the Commission has exercised its authority to write off the debt pursuant to § 1.1916.

(d) The Commission will generally not use a collection agency to collect a delinquent debt owed by a currently employed or retired Federal employee, if collection by salary or annuity offset is available.

47 CFR Ch. I (10–1–03 Edition)

SALARY OFFSET

§ 1.1925 Purpose.

This section provides the standards to be followed by FCC in implementing 5 U.S.C. 5514 to recover a debt from the pay account of an FCC employee, and establishes procedural guidelines to recover debts when the employee's creditor and paying agencies are not the same.

§ 1.1926 Scope.

(a) *Coverage.* This section applies to agencies and employees as defined by § 1.1901.

(b) *Applicability.* This section and 5 U.S.C. 5514 apply in recovering certain debts by offset, except where the employee consents to the recovery, from the current pay account of that employee. Because it is an administrative offset, debt collection procedures for salary offset which are not specified in 5 U.S.C. 5514 and these regulations should be consistent with the provisions of the Federal Claims Collection Standards (4 CFR parts 101–105).

(1) Excluded debts or claims. The procedures contained in this section do not apply to debts or claims arising under the Internal Revenue Code of 1954, as amended (26 U.S.C. 1 *et seq.*), the Social Security Act (42 U.S.C. 301 *et seq.*) or the tariff laws of the United States, or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g. travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).

(2) Waiver requests and claims to the General Accounting Office. This section does not preclude an employee from requesting waiver of a salary overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, or in any way questioning the amount or validity of a debt by submitting a subsequent claim to the General Accounting Office in accordance with procedures prescribed by the General Accounting Office. Similarly, in the case of other types of debts, it does not preclude an employee from requesting waiver, if waiver is available under any statutory provision pertaining to the particular debt being collected.
