Where consideration involves a sale of facilities or merger of interests, the accounting shall clearly identify that portion of the consideration allocated for such facilities or interests and a detailed description thereof, including estimated fair market value. The Commission will not presume an agreement (or understanding) to be prima facie contrary to the public interest solely because it incorporates a mutual agreement to withdraw pending application(s), amendment(s), petition(s), pleading(s), or any combination thereof.

(f) Notwithstanding §21.29(e), amendments will not be granted that seek more than a *pro forma* change of ownership or control (bankruptcy, death, or legal disability) of a pending Multipoint Distribution Service application, and any Multipoint Distribution Service application will be dismissed that seeks more than a *pro forma* change of ownership or control.

(2) Any petition to deny (or for other forms of relief) an application to which the thirty (30) day public notice period of §21.27(c) does not apply; or

(3) Any comments on, or objections to, the grant of an application when the comments or objections do not conform to either paragraph (a) of this section or other Commission rules and requirements.

(c) The Commission will consider informal objections, but will not necessarily discuss them specifically in a formal opinion if:

(1) The informal objection is filed at least one day before Commission action on the application; and

(2) The informal objection is signed by the submitting person (or his representative) and discloses his interest.
