

(3) A price cap LEC may submit without cost data any tariff filings that introduce new services, other than loop-based services.

(4) A price cap LEC that has removed its corridor or interstate intraLATA toll services from its interexchange basket pursuant to §61.42(d)(4)(ii), may submit its tariff filings for corridor or interstate intraLATA toll services without cost data.

(g) Each tariff filing submitted by a local exchange carrier subject to price cap regulation that introduces a new loop-based service or a restructured unbundled basic service element (BSE), as defined in §69.2(mm) of this chapter, that is or will later be included in a basket, or that introduces or changes the rates for connection charge subelements for expanded interconnection, as defined in §69.121 of this chapter, must also be accompanied by:

(1) The following, including complete explanations of the bases for the estimates.

(i) A study containing a projection of costs for a representative 12 month period; and

(ii) Estimates of the effect of the new tariff on the traffic and revenues from the service to which the new tariff applies, the carrier's other service classifications, and the carrier's overall traffic and revenues. These estimates must include the projected effects on the traffic and revenues for the same representative 12 month period used in paragraph (g)(1)(i) of this section.

(2) *Working papers and statistical data.*

(i) Concurrently with the filing of any tariff change or tariff filing for a service not previously offered, the Chief, Tariff and Pricing Analysis Branch must be provided two sets of working papers containing the information underlying the data supplied in response to paragraph (h)(1) of this section, and a clear explanation of how the working papers relate to that information.

(ii) All statistical studies must be submitted and supported in the form prescribed in §1.363 of the Commission's rules.

(h) Each tariff filing submitted by a local exchange carrier subject to price cap regulation that introduces or changes the rates for connection charge subelements for expanded inter-

connection, as defined in §69.121 of this chapter, must be accompanied by cost data sufficient to establish that such charges will not recover more than a just and reasonable portion of the carrier's overhead costs.

(i) [Reserved]

(j) For a tariff that introduces a system of density pricing zones, as described in §69.123 of this chapter, the carrier must, before filing its tariff, submit a density pricing zone plan including, *inter alia*, documentation sufficient to establish that the system of zones reasonably reflects cost-related characteristics, such as the density of total interstate traffic in central offices located in the respective zones, and receive approval of its proposed plan.

(k) In accordance with §§61.41 through 61.49, local exchange carriers subject to price cap regulation that elect to file their annual access tariff pursuant to section 204(a)(3) of the Communications Act shall submit supporting material for their interstate annual access tariffs, absent rate information, 90 days prior to July 1 of each year.

(l) On each page of cost support material submitted pursuant to this section, the carrier shall indicate the transmittal number under which that page was submitted.

§§ 61.50–61.51 [Reserved]

§ 61.52 Form, size, type, legibility, etc.

(a) All tariff publications must be in loose-leaf form of size A4 (21 cm×29.7 cm) or 8.5×11 inches (21.6 cm×27.9 cm), and must be plainly printed in black print on white paper of durable quality. Less than 6-point type may not be used. Erasures or alterations in writing must not be made in any tariff publication filed with the Commission or in those copies posted for public convenience. A margin of no less than 2.5 cm

(1 inch) in width must be allowed at the left edge of every tariff publication.

(b) Pages of tariffs must be printed on one side only, and must be numbered consecutively and designated as "Original title page," "Original page 1," "Original page 2," etc.

(1) All such pages must show, in the upper left-hand corner the name of the issuing carrier; in the upper right-hand corner the FCC number of the tariff, with the page designation directly below; in the lower left-hand corner the issued date; in the lower right-hand corner the effective date; and at the bottom, center, the street address of the issuing officer. The carrier must also specify the issuing officer's title either at the bottom center of all tariff pages, or on the title page and check sheet only.

(2) As an alternative, the issuing carrier may show in the upper left-hand corner the name of the issuing carrier, the title and street address of the issuing officer, and the issued date; and in the upper right-hand corner the FCC number of the tariff, with the page designation directly below, and the effective date. The carrier must specify the issuing officer's title in the upper left-hand corner of either all tariff pages, or on the title page and check sheet only. A carrier electing to place the information at the top of the page should annotate the bottom of each page to indicate the end of the material, e.g., a line, or the term "Printed in USA," or "End".

(3) Only one format may be employed in a tariff publication.

(c) Incumbent local exchange carriers shall file all tariff publications and associated documents, such as transmittal letters, requests for special permission, and supporting information, electronically in accordance with the requirements set forth in § 61.13 through § 61.17.

[49 FR 40869, Oct. 18, 1984, as amended at 58 FR 44906, Aug. 25, 1993; 62 FR 5778, Feb. 7, 1997; 63 FR 35541, June 30, 1998]

§ 61.54 Composition of tariffs.

(a) Tariffs must contain in consecutive order: A title page; check sheet; table of contents; list of concurring, connecting, and other participating

carriers; explanation of symbols and abbreviations; application of tariff; general rules (including definitions), regulations, exceptions and conditions; and rates. If the issuing carrier elects to add a section assisting in the use of the tariff, it should be placed immediately after the table of contents.

(b) The title page of every tariff and supplement must show:

(1) *FCC number, indication of cancellations.* In the upper right-hand corner, the designation of the tariff or supplement as "FCC No. _____," or "Supplement No. _____ to FCC No. _____," and immediately below, the FCC number or numbers of tariffs or supplements cancelled thereby.

(2) *Name of carrier, class of service, geographical application, means of transmission.* The exact name of the carrier, and such other information as may be necessary to identify the carrier issuing the tariff publication; a brief statement showing each class of service provided; the geographical application; and the type of facilities used to provide service.

(3) *Expiration date.* Subject to § 61.59, when the entire tariff or supplement is to expire with a fixed date, the expiration date must be shown in connection with the effective date in the following manner. Changes in expiration date must be made pursuant to the notice requirements of § 61.58, unless otherwise authorized by the Commission.

Expires at the end of ____ (date) unless sooner canceled, changed, or extended.

(4) *Title and address of issuing officer.* The title and street address of the officer issuing the tariff or supplement in the format specified in § 61.52.

(5) *Revised title page.* When a revised title page is issued, the following notation must be shown in connection with its effective date:

Original tariff _ effective _____
(here show the effective date of the original tariff).

(c)(1)(i) The page immediately following the title page must be designated as "Original page 1" and captioned "Check Sheet." When the original tariff is filed, the check sheet must show the number of pages contained in the tariff. For example, "Page 1 to 150, inclusive, of this tariff are effective as
