**13.106 Soliciting competition, evaluation of quotations or offers, award and documentation.**

**13.106-1 Soliciting competition.**

(a) *Considerations.* In soliciting competition, the contracting officer shall consider the guidance in 13.104 and the following before requesting quotations or offers:

(1)(i) The nature of the article or service to be purchased and whether it is highly competitive and readily available in several makes or brands, or is relatively noncompetitive.

(ii) Information obtained in making recent purchases of the same or similar item.

(iii) The urgency of the proposed purchase.

(iv) The dollar value of the proposed purchase.

(v) Past experience concerning specific dealers' prices.

(2) When soliciting quotations or offers, the contracting officer shall notify potential quoters or offerors of the basis on which award will be made (price alone or price and other factors, e.g., past performance and quality). Contracting officers are encouraged to use best value. Solicitations are not required to state the relative importance assigned to each evaluation factor and subfactor, nor are they required to include subfactors.

(b) *Soliciting from a single source.* (1) For purchases not exceeding the simplified acquisition threshold, contracting officers may solicit from one source if the contracting officer determines that the circumstances of the contract action deem only one source reasonably available (e.g., urgency, exclusive licensing agreements, or industrial mobilization).

(2) For sole source acquisitions of commercial items in excess of the simplified acquisition threshold conducted pursuant to subpart 13.5, the requirements at 13.501(a) apply.

(c) *Soliciting orally.* (1) The contracting officer shall solicit quotations

orally to the maximum extent practicable, if—

(i) The acquisition does not exceed the simplified acquisition threshold;

(ii) Oral solicitation is more efficient than soliciting through available electronic commerce alternatives; and

(iii) Notice is not required under 5.101.

(2) However, an oral solicitation may not be practicable for contract actions exceeding \$25,000 unless covered by an exception in 5.202.

(d) *Written solicitations.* If obtaining electronic or oral quotations is uneconomical or impracticable, the contracting officer should issue paper solicitations for contract actions likely to exceed \$25,000. The contracting officer shall issue a written solicitation for construction requirements exceeding \$2,000.

(e) *Use of options.* Options may be included in solicitations, provided the requirements of subpart 17.2 are met and the aggregate value of the acquisition and all options does not exceed the dollar threshold for use of simplified acquisition procedures.

(f) *Inquiries.* An agency should respond to inquiries received through any medium (including FACNET) if doing so would not interfere with the efficient conduct of the acquisition. For an acquisition conducted through FACNET, an agency must respond to telephonic or facsimile inquiries only if it is unable to receive inquiries through FACNET.
