

Federal Acquisition Regulation

13.303-5

(i) A summary invoice shall be submitted at least monthly or upon expiration of this BPA, whichever occurs first, for all deliveries made during a billing period, identifying the delivery tickets covered therein, stating their total dollar value, and supported by receipt copies of the delivery tickets.

(ii) An itemized invoice shall be submitted at least monthly or upon expiration of this BPA, whichever occurs first, for all deliveries made during a billing period and for which payment has not been received. These invoices need not be supported by copies of delivery tickets.

(iii) When billing procedures provide for an individual invoice for each delivery, these invoices shall be accumulated, provided that—

(A) A consolidated payment will be made for each specified period; and

(B) The period of any discounts will commence on the final date of the billing period or on the date of receipt of invoices for all deliveries accepted during the billing period, whichever is later.

(iv) An invoice for subscriptions or other charges for newspapers, magazines, or other periodicals shall show the starting and ending dates and shall state either that ordered subscriptions have been placed in effect or will be placed in effect upon receipt of payment.

(b) If the fast payment procedure is used, include the requirements stated in 13.403.

13.303-4 Clauses.

(a) The contracting officer shall insert in each BPA the clauses prescribed elsewhere in this part that are required for or applicable to the particular BPA.

(b) Unless a clause prescription specifies otherwise (e.g., see 22.305(a), 22.605(a)(5), or 22.1006), if the prescription includes a dollar threshold, the amount to be compared to that threshold is that of any particular order under the BPA.

13.303-5 Purchases under BPAs.

(a) Use a BPA only for purchases that are otherwise authorized by law or regulation.

(b) Individual purchases shall not exceed the simplified acquisition thresh-

old. However, agency regulations may establish a higher threshold consistent with the following:

(1) The simplified acquisition threshold and the \$5,000,000 limitation for individual purchases do not apply to BPAs established in accordance with 13.303-2(c)(3).

(2) The limitation for individual purchases for commercial item acquisitions conducted under subpart 13.5 is \$5,000,000.

(c) The existence of a BPA does not justify purchasing from only one source or avoiding small business set-asides. The requirements of 13.003(b) and subpart 19.5 also apply to each order.

(d) If, for a particular purchase greater than the micro-purchase threshold, there is an insufficient number of BPAs to ensure maximum practicable competition, the contracting officer shall—

(1) Solicit quotations from other sources (see 13.105) and make the purchase as appropriate; and

(2) Establish additional BPAs to facilitate future purchases if—

(i) Recurring requirements for the same or similar supplies or services seem likely;

(ii) Qualified sources are willing to accept BPAs; and

(iii) It is otherwise practical to do so.

(e) Limit documentation of purchases to essential information and forms as follows:

(1) Purchases generally should be made electronically, or orally when it is not considered economical or practical to use electronic methods.

(2) A paper purchase document may be issued if necessary to ensure that the supplier and the purchaser agree concerning the transaction.

(3) Unless a paper document is issued, record essential elements (e.g., date, supplier, supplies or services, price, delivery date) on the purchase requisition, in an informal memorandum, or on a form developed locally for the purpose.

(4) Cite the pertinent purchase requisitions and the accounting and appropriation data.

(5) When delivery is made or the services are performed, the supplier's sales document, delivery document, or invoice may (if it reflects the essential

13.303-6

elements) be used for the purpose of recording receipt and acceptance of the supplies or services. However, if the purchase is assigned to another activity for administration, the authorized Government representative shall document receipt and acceptance of supplies or services by signing and dating the agency specified form after verification and after notation of any exceptions.

13.303-6 Review procedures.

(a) The contracting officer placing orders under a BPA, or the designated representative of the contracting officer, shall review a sufficient random sample of the BPA files at least annually to ensure that authorized procedures are being followed.

(b) The contracting officer that entered into the BPA shall—

(1) Ensure that each BPA is reviewed at least annually and, if necessary, updated at that time; and

(2) Maintain awareness of changes in market conditions, sources of supply, and other pertinent factors that may warrant making new arrangements with different suppliers or modifying existing arrangements.

(c) If an office other than the purchasing office that established a BPA is authorized to make purchases under that BPA, the agency that has jurisdiction over the office authorized to make the purchases shall ensure that the procedures in paragraph (a) of this subsection are being followed.

13.303-7 Completion of BPAs.

An individual BPA is considered complete when the purchases under it equal its total dollar limitation, if any, or when its stated time period expires.

13.303-8 Optional clause.

The clause at 52.213-4, Terms and Conditions—Simplified Acquisitions (Other Than Commercial Items), may be used in BPAs established under this section.

13.305-2 Agency responsibilities.

Each agency using imprest funds and third party drafts shall—

(a) Periodically review and determine whether there is a continuing need for each fund or third party draft account established, and that amounts of those funds or accounts are not in excess of actual needs;

(b) Take prompt action to have imprest funds or third party draft accounts adjusted to a level commensurate with demonstrated needs whenever circumstances warrant such action; and

(c) Develop and issue appropriate implementing regulations. These regulations shall include (but are not limited to) procedures covering—

(1) Designation of personnel authorized to make purchases using imprest funds or third party drafts; and

(2) Documentation of purchases using imprest funds or third party drafts, including documentation of—
