#### 25.402 General.

The trade agreements waive the applicability of the Buy American Act for some foreign supplies and construction materials from certain countries. The Trade Agreements Act and NAFTA specify procurement procedures designed to ensure fairness. The value of the acquisition is a determining factor in the applicability of the trade agreements. When the restrictions of the Buy American Act are waived for eligible products, offers of those products (eligible offers) receive equal consideration with domestic offers. Under the Trade Agreements Act, only U.S.-made end products or eligible products may be acquired (also see 25.403(c)). See Subpart 25.5 for evaluation procedures for supply contracts subject to trade agreements.

#### 25.403 Trade Agreements Act.

(a) *General.* The Agreement on Government Procurement of the Trade Agreements Act—

(1) Waives application of the Buy American Act to the end products and construction materials of designated countries;

(2) Prohibits discriminatory practices based on foreign ownership;

(3) Restricts purchases to end products identified in 25.403(c);

(4) Requires certain procurement procedures designed to ensure fairness (see 25.408).

(b) *Thresholds.* (1) Except as provided in 25.401, the Trade Agreements Act applies to an acquisition for supplies or services if the estimated value of the acquisition is \$169,000 or more; the Trade Agreements Act applies to an acquisition for construction if the estimated value of the acquisition is \$6,481,000 or more. These dollar thresholds are subject to revision by the U.S. Trade Representative approximately every 2 years (see Executive Order 12260).

(2) To determine whether the Trade Agreements Act applies to the acquisition of products by lease, rental, or lease-purchase contract (including lease-to-ownership, or lease-with-option-to purchase), calculate the estimated acquisition value as follows:

(i) If a fixed-term contract of 12 months or less is contemplated, use the total estimated value of the acquisition.

(ii) If a fixed-term contract of more than 12 months is contemplated, use the total estimated value of the acquisition plus the estimated residual value of the leased equipment at the conclusion of the contemplated term of the contract.

(iii) If an indefinite-term contract is contemplated, use the estimated monthly payment multiplied by the total number of months that ordering would be possible under the proposed contract, *i.e.*, the initial ordering period plus any optional ordering periods.

(iv) If there is any doubt as to the contemplated term of the contract, use the estimated monthly payment multiplied by 48.

(3) The estimated value includes the value of all options.

(4) If, in any 12-month period, recurring or multiple awards for the same type of product or products are anticipated, use the total estimated value of
