Subpart D—Prohibition Against Tampering With Safety Devices

SOURCE: 54 FR 5492, Feb. 3, 1989, unless otherwise noted.

§218.51 Purpose.

(a) The purpose of this subpart is to prevent accidents and casualties that can result from the operation of trains when safety devices intended to improve the safety of their movement have been disabled.

(b) This subpart does not prohibit intervention with safety devices that is permitted:

(1) Under the provisions of §236.566 or §236.567 of this chapter;

(2) Under the provisions of §218.61 of this part; or

(3) Under the provisions of §229.9 of this chapter, provided that when a locomotive is being operated under the provision of §229.9(b) a designated officer has been notified of the defective alerter or deadman pedal at the first available point of communication.

[54 FR 5492, Feb. 3, 1989, as amended at 58 FR 36613, July 8, 1993]

§218.53 Scope and definitions.

(a) This subpart establishes standards of conduct for railroads and individuals who operate or permit to be operated locomotives equipped with one or more of the safety devices identified in paragraph (c) of this section.

49 CFR Ch. II (10–1–03 Edition)

(b) *Disable* means to unlawfully render a device incapable of proper and effective action or to materially impair the functioning of that device.

(c) *Safety device* means any locomotive-mounted equipment that is used either to assure that the locomotive operator is alert, not physically incapacitated, aware of and complying with the indications of a signal system or other operational control system or to record data concerning the operation of that locomotive or the train it is powering. See appendix B to this part for a statement of agency policy on this subject.

§218.55 Tampering prohibited.

Any individual who willfully disables a safety device is subject to a civil penalty as provided in appendix A of this part and to disqualification from performing safety-sensitive functions on a railroad if found unfit for such duties under the procedures provided for in 49 CFR part 209.

§218.57 Responsibilities of individuals.

Any individual who knowingly operates a train, or permits it to be operated, when the controlling locomotive of that train is equipped with a disabled safety device, is subject to a civil penalty as provided for in appendix A of this part and to disqualification from performing safety-sensitive functions on a railroad if found to be unfit for such duties. See appendix B to this part for a statement of agency enforcement policy concerning violations of this section.

§218.59 Responsibilities of railroads.

Any railroad that operates a train when the controlling locomotive of a train is equipped with a disabled safety device is subject to a civil penalty as provided for in appendix A of this part.

§218.61 Authority to deactivate safety devices.

(a) For the purpose of this chapter, it is lawful to temporarily render a safety device incapable of proper or effective action or to materially impair its function if this action is taken as provided for in paragraph (b) or (c) of this section.
