

§ 23.105

participation specified in the solicitation or other request is an eligible arrangement, as defined in this subpart.

(b) Nothing in this subpart shall require any sponsor to modify or abrogate an existing concession agreement (one executed prior to the date the sponsor became subject to this subpart) during its term. When options to renew such agreements are exercised or when a material amendment is made to the agreement, the sponsor shall assess the potential for DBE participation and include any opportunities in the goals established under paragraph (a) of § 23.95.

§ 23.105 Privately-owned terminal buildings.

(a) Awards of concession agreements that are made by private owners of terminal buildings are covered by this subpart. Airport sponsors subject to this subpart shall levy the applicable requirements on the terminal owner through the agreement with the owner or by other means, except that certification shall, in the case of primary airports, be performed by the airport sponsor. The sponsor shall ensure that the terminal owner complies with these requirements.

(b) If the terminal building is at a primary airport, the sponsor shall obtain from the terminal owner the overall goals and other elements of the DBE concession plan required under § 23.95. This information shall be incorporated into the concession plan and goals established by the sponsor and submitted to the FAA in accordance with this subpart.

(c) If the terminal building is at a commercial service airport (except primary), general aviation, or reliever airport, the sponsor shall ensure that the owner complies with the requirements in paragraph (c) of § 23.93.

§ 23.107 Prohibition on long-term, exclusive concession agreements.

(a) Except as provided in paragraph (b) of this section, sponsors shall not enter into long-term, exclusive agreements for the operation of concessions. For purposes of this section, a long-term agreement is one having a term in excess of five years. Guidelines for determining whether an agreement is exclusive, as used in this section, have

been included in the FAA's "DBE Program Development Kit for Airport Grant-in-Aid Recipients." This publication can be obtained from any FAA Regional Civil Rights Officer or from the FAA Office of Civil Rights, 800 Independence Avenue, SW., Washington, DC 20591, Attention, ACR-4.

(b) A long-term, exclusive agreement is permitted under this subpart, provided that:

(1) Special local circumstances exist that make it important to enter such agreement, and

(2) The responsible FAA regional civil rights officer approves of a plan for ensuring adequate DBE participation throughout the term of the agreement.

(c) Approval of the plan referenced in paragraph (b)(2) of this section relieves the sponsor of the need to obtain an exemption under the procedures of § 23.41(f) and the Notice of Policy (45 FR 45281, July 3, 1980). The Notice of Policy can be obtained from the FAA Office of Civil Rights at the address given in paragraph (a) of this section.

(d) Sponsors shall submit the following information with the plan referenced in paragraph (b)(2) of this section:

(1) A description of the special local circumstances that warrant a long-term, exclusive agreement, e.g., a requirement to make certain capital improvements to a leasehold facility.

(2) A copy of the draft and final leasing and subleasing or other agreements. The long-term, exclusive agreement shall provide that:

(i) One or more DBE's will participate throughout the term of the agreement and account for at least 10 percent of the annual estimated gross receipts.

(ii) The extent of DBE participation will be reviewed prior to the exercise of each renewal option to consider whether an increase is warranted. (In some instances, a decrease may be warranted.)

(iii) A DBE that is unable to perform successfully will be replaced by another DBE, if the remaining term of the agreement makes this feasible.

(3) Assurances that the DBE participation will be in an acceptable form,
