**§7.7 Access to materials and indices.**

(a) Except as provided in paragraph (b) of this section, material listed in §7.5 will be made available for inspection and copying to any member of the public at DOT document inspection facilities. It has been determined that it is unnecessary and impracticable to publish the index of materials in the FEDERAL REGISTER. Information as to the kinds of materials available at each facility may be obtained from the facility or the headquarters of the DOT component of which it is a part.

(b) The material listed in §7.5 that is published and offered for sale will be indexed, but is not required to be kept available for public inspection. Whenever practicable, however, it will be made available for public inspection at the appropriate DOT reading room.

(c) Each DOT component will also make the reading room records identified in section 7.5(a) that are created by DOT on or after November 1, 1996, available electronically. This includes indices of its reading room records as required by law after December 1, 1999.

**§7.8 Copies**

Copies of any material covered by this subpart that is not published and offered for sale may be ordered, upon payment of the appropriate fee, from the Docket Offices listed in §7.10. Copies will be certified upon request and payment of the fee prescribed in §7.43(f).

**§7.9 Protection of records.**

(a) Records made available for inspection and copying may not be removed, altered, destroyed, or mutilated.

(b) 18 U.S.C. 641 provides for criminal penalties for embezzlement or theft of government records.

(c) 18 U.S.C. 2071 provides for criminal penalties for the willful and unlawful concealment, mutilation or destruction of, or the attempt to conceal, mutilate, or destroy, government records.

**§7.10 Public records.**

Publicly available records are located in DOT's Primary Electronic Access Facility at 400 7th Street, S.W., Washington, D.C. 20590.

(a) The Primary Electronic Access Facility maintains materials for the Office of the Secretary, including former Civil Aeronautics Board material, and materials for the DOT components. This facility is located at Plaza Level 401, and the hours of operation are 10:00-17:00.

(b) Certain DOT components also maintain public record units at regional offices and at the offices of the Commandant and District Commanders of the United States Coast Guard. These facilities are open to the public Monday through Friday except Federal holidays, during regular working hours. The Saint Lawrence Seaway Development Corporation has facilities at 180 Andrews Street, Massena, New York 13662-0520.

(c) Operating Administrations may have separate facilities for manual records. Additional information on the location and hours of operations for Docket Offices and inspection facilities can be obtained through DOT's Primary Electronic Access Facility, at (202) 366-9322.
