§ 600.18

Notice of Restriction on Disclosure and Use of Data

The data contained in pages _____ of this application have been submitted in confidence and contain trade secrets or proprietary information, and such data shall be used or disclosed only for evaluation purposes, provided that if this applicant receives an award as a result of or in connection with the submission of this application, DOE shall have the right to use or disclose the data herein to the extent provided in the award. This restriction does not limit the Government's right to use or disclose data obtained without restriction from any source, including the applicant.

(2) Unless a solicitation specifies otherwise, DOE shall not refuse to consider an application solely on the basis that the application is restrictively marked.

(3) Data (or abstracts of data) marked with the Notice under paragraph (b)(1) of this section shall be retained in confidence and used by DOE or its designated representatives as specified in §600.13 solely for the purpose of evaluating the proposal. The data so marked shall not be disclosed or used for any other purpose except to the extent provided in any resulting award, or to the extent required by law, including the Freedom of Information Act (5 U.S.C. 552) (10 CFR part 1004). The Government shall not be liable for disclosure or use of unmarked data and may use or disclose such data for any purpose.

(4) The Government shall obtain unlimited rights in the technical data contained in any application which results in an award except those portions of the technical data which the applicant asserts and properly marks as proprietary data, or which are not directly related to or will not be utilized in the project and are deleted from the application with the concurrence of DOE.

(5) The clause at 48 CFR 52.227-23, which applies only to technical data and not to other data such as privileged or confidential commercial or financial information shall apply to every award.

§ 600.16 Legal authority and effect of an award.

(a) A DOE financial assistance award is valid only if it is in writing and is

signed, either in writing or electronically, by a DOE Contracting Officer.

(b) DOE funds awarded under a grant or cooperative agreement shall be obligated as of the date the DOE Contracting Officer signs the award; however, the recipient is not authorized to incur costs under an award prior to the beginning date of the budget period shown in the award except as may be authorized in accordance with §§600.125(e) or 600.230 of this part. The duration of the DOE financial obligation shall not extend beyond the expiration date of the budget period shown in the award unless authorized by a DOE Contracting Officer by means of a continuation or renewal award or other extension of the budget period.

§ 600.17 Contents of award.

Each financial assistance award shall be made on a Notice of Financial Assistance Award (DOE F 4600.1) which contains basic identifying and funding information together with attachments including a budget, any special terms and conditions, and any other provisions necessary to establish the respective right, duties, obligation, and responsibilities of DOE and the recipient, consistent with the requirements of this part.

§ 600.18 Recipient acknowledgement of award.

(a) After signature by the DOE Contracting Officer, the award shall be sent to the recipient. The recipient shall acknowledge acceptance by returning a copy signed either in writing or electronically. No DOE funds shall be disbursed until the award document signed by the recipient is received by DOE.

(b) In the event a recipient declines an award, DOE shall deobligate the funds obligated by the award after providing the applicant with at least two weeks written notice of DOE's intention to deobligate.

(c) After the recipient acknowledges the award, the terms and conditions of the award may be amended only upon the written request or with the written concurrence of the recipient unless the amendment is one which DOE may make unilaterally in accordance with a program rule or this part.
