

Department of Energy

§ 600.10

(iii) Other terms and conditions applicable to awards to be made under the solicitation, including allowable and unallowable costs and reporting requirements;

(iv) Policies and procedures for patents, data, copyrights, audiovisual productions and exhibits;

(v) Any required assurances not included in the application form;

(15) The deadline for submission of required or optional preapplications;

(16) Date, time, and location of any briefing for applicants;

(17) Required presubmission reviews and clearances, including a statement as to whether review under E.O. 12372, "Intergovernmental Review of Federal Programs", is required.

(18) Dates by which selections and awards are expected to be made and whether unsuccessful applications will be returned to the applicant or be retained by DOE and for what period of time;

(19) A statement that DOE is under no obligation to pay for any costs associated with preparation or submission of applications if an award is not made. If an award is made, such costs may be allowable as provided in the applicable cost principles (See §§ 600.127 and 600.222);

(20) A statement that DOE reserves the right to fund, in whole or in part, any, all, or none of the applications submitted in response to the solicitation; and

(21) Any other relevant information, including explanatory information or factual basis for justifications required by this part.

§ 600.9 Notice of program interest.

(a) *General.* (1) DOE may publish periodic Notices of Program Interest in the FEDERAL REGISTER and other media, as appropriate, which describes broad, general, technical problems and areas of investigation for which DOE may award grants or cooperative agreements.

(2) DOE shall evaluate any application submitted under a Notice of Program Interest as an unsolicited application.

(b) *Contents.* The notice shall include:

(1) A brief description of the areas of interest for which DOE may provide financial assistance;

(2) A statement about how resulting applications will be evaluated and the criteria for selection and funding;

(3) An expiration date with an explanation that such a date does not represent a common deadline for applications but rather that applications may be submitted at any time before the notice expires; and

(4) The location for application submission.

§ 600.10 Form and content of applications.

(a) *General.* Applications shall be required for all financial assistance projects or programs.

(b) *Forms.* Applications shall be on the form and in the number of copies specified in a program rule, the solicitation, or these regulations. (See also §§ 600.112 and 600.210.) For unsolicited applications, a guide for preparation and submission is available from U.S. Department of Energy, Federal Energy Technology Center, Attn: Unsolicited Proposal Manager, Post Office Box 10940, Pittsburgh, PA, 15236-0940.

(c) *Contents of an application.* In general, a financial assistance application shall include:

(1) A facesheet containing basic identifying information. The facesheet shall be the Standard Form (SF) 424 or other approved DOE application form;

(2) A detailed narrative description of the proposed project, including the objectives of the project and the applicant's plan for carrying it out;

(3) A budget with supporting justification; and

(4) Any required preaward assurances.

(d) *Incomplete applications.* DOE may return an application that:

(1) Is not signed, either in writing or electronically, by an official authorized to bind the applicant; or

(2) Omits any information or documentation required by statute, program rule, or the solicitation, if the nature of the omission precludes review of the application.

(e) *Supplemental information.* During the review of a complete application,
