

Federal Election Commission

§ 300.35

§ 300.34 Transfers.

(a) *Federal funds.* (1) Notwithstanding 11 CFR 102.6(a)(1)(ii), a State, district, or local committee of a political party must not use any Federal funds transferred to it from, or otherwise accepted by it from, any of the persons enumerated in paragraphs (b)(1) and (b)(2) of this section as the Federal component of an expenditure or disbursement for Federal election activity under 11 CFR 300.32. A State, district, or local committee of a political party must itself raise the Federal component of an expenditure or disbursement allocated between Federal funds and Levin funds under 11 CFR 300.32 and 300.33.

(2) A State, district, or local committee of a political party that makes an expenditure or disbursement of Federal funds for Federal election activities must demonstrate through a reasonable accounting method approved by the Commission (including any method embedded in software provided or approved by the Commission) that the Federal funds used to make the expenditure or disbursement do not include Federal funds transferred to the committee in violation of this section. Alternatively, a State, district, or local committee of a political party may establish a separate Federal account into which the committee deposits only Federal funds raised by the committee itself, and from which all expenditures or disbursement of Federal funds for Federal election activities are made.

(b) *Levin funds.* Levin funds must be raised solely by the State, district, or local committee of a political party that expends or disburses the funds. A State, district, or local committee of a political party must not use as Levin funds any funds transferred or otherwise provided to the committee by:

(1) Any other State, district, or local committee of any political party, any officer or agent acting on behalf of such a committee, or any entity directly or indirectly established, financed, maintained, or controlled by such a committee; or,

(2) The national committee of any political party (including a national congressional campaign committee of a political party), any officer or agent acting on behalf of such a committee,

or any entity directly or indirectly established, financed, maintained, or controlled by such a committee.

(c) *Allocation transfers.* Transfers of Levin funds between the accounts of a State, district, or local committee of a political party for allocation purposes must comply with 11 CFR 300.30 and 11 CFR 300.33.

§ 300.35 Office buildings.

(a) *General provision.* For the purchase or construction of its office building, a State or local party committee may spend Federal funds or non-Federal funds that are not subject to the limitations, prohibitions, and disclosure provisions of the Act, so long as such funds are not contributed or donated by a foreign national. *See* 2 U.S.C. 441e. If non-Federal funds are used, they are subject to State law. An office building must not be purchased or constructed for the purpose of influencing the election of any candidate in any particular election for Federal office. For purposes of this section, the term *local party committee* shall include a *district party committee*.

(b) *Application of State law.* Non-Federal funds received by a State or local party committee that are spent for the purchase or construction of its office building are subject to State law as set forth in paragraphs (b)(1) and (2) of this section.

(1) *Non-Federal account.* If a State or local party committee uses non-Federal funds, Federal law does not preempt or supersede State law as to the source of funds used, the permissibility of the disbursements, or the reporting of the receipt and disbursement of such funds, except as provided in paragraph (a) of this section.

(2) *Levin funds.* Levin funds may be used for the purchase or construction of a State or local party committee office building, if permitted by State law.

(c) *Leasing a portion of the party office building.* A State or local party committee may lease a portion of its office building to others to generate income at the usual and normal charge. If the building is purchased or constructed in whole or in part with non-Federal funds, all rental income shall be deposited in the committee's non-Federal

account and used only for non-Federal purposes. Such rental income and its use must also comply with State law. If the building is purchased or constructed solely with Federal funds, the rental income may be deposited in the Federal account. The receipt of such funds shall be reported in compliance with 11 CFR 104.3(a)(4)(vi).

(d) *Transitional Provisions for State Party Building or Facility Account.* Up to and including November 5, 2002, the State committee of a political party may accept funds into its party office building or facility account, established pursuant to repealed 2 U.S.C. 431(8)(B)(viii), designated for the purchase or construction of an office building. Starting on November 6, 2002, the funds in the account may not be used for Federal account or Levin account purposes, but may be used for any non-Federal purposes, as permitted under State law.

§ 300.36 Reporting Federal election activity; recordkeeping.

(a) *Requirements for a State, district, or local committee of a political party, or an association or similar group of candidates for State or local office or of individuals holding State or local office, that is not a political committee.*

(1) A State, district, or local committee of a political party, or an association or similar group of candidates for State or local office or of individuals holding State or local office, that is not a political committee (*see* 11 CFR 100.5) must demonstrate through a reasonable accounting method that whenever it makes a payment of Federal funds or Levin funds (if it is permitted to spend Levin funds) for Federal election activity (*see* 11 CFR 300.32 and 300.33) it has received sufficient funds subject to the limitations and prohibitions of the Act to make the payment. Such an organization must keep records of amounts received or expended under this paragraph and, upon request, shall make such records available for examination by the Commission.

(2) Notwithstanding the foregoing, a payment of Federal funds or Levin funds for Federal election activity shall not constitute an expenditure for purposes of determining whether a

State, district, or local committee of a political party, or an association or similar group of candidates for State or local office or of individuals holding State or local office, qualifies as a political committee under 11 CFR 100.5, unless the payment otherwise qualifies as an expenditure under 2 U.S.C. 431(9). A payment of Federal funds for Federal election activity that refers to a clearly identified Federal candidate and that meets the criteria of 11 CFR 100.140, 100.147, or 100.149 (*exempt activities*) shall be treated as a payment for exempt activity in accordance with all applicable provisions of this chapter, including, but not limited to, 11 CFR 100.5(c).

(b) *Requirements for a State, district, or local committee of a political party, or an association or similar group of candidates for State or local office or of individuals holding State or local office, that is a political committee.*

(1) *Requirements for a State, district, or local committee of a political party that has less than \$5,000 of aggregate receipts and disbursements for Federal election activity in a calendar year, and for an association or similar group of candidates for State or local office or of individuals holding State or local office at all times.* This paragraph applies to a State, district, or local committee of a political party that is a political committee, and that has less than \$5,000 of aggregate receipts and disbursements for Federal election activity in a calendar year; and, at all times, to an association or similar group of candidates for State or local office or of individuals holding State or local office that is a political committee (*see* 11 CFR 100.5). Such a party committee or association of candidates or officeholders must report all receipts and disbursements of Federal funds for Federal election activity, including the Federally allocated portion of a payment for Federal election activity. A disbursement of Federal funds or Levin funds for Federal election activity (*see* 11 CFR 300.32 and 300.33) by either such a party committee or association of candidates or officeholders shall not be deemed an expenditure and reported as such pursuant to 11 CFR part 104, unless the disbursement otherwise qualifies as an expenditure under 2 U.S.C. 431(9).
