

pay all costs associated with special mailing or delivery services directly to the courier or mail service.

(5) Upon receipt of any request for the production of computer tape or microfilm, the Commission will advise the requestor of the identity of the private contractor who will perform the duplication services. If fees are charged for the production of computer tape or microfilm, they shall be made payable to that private contractor and shall be forwarded to the Commission.

(d) *Interest charges.* FOIA requestors should pay fees within 30 days following the day on which the invoice for that request was sent to the requestor. If the invoice is unpaid on the 31st day following the day on which the invoice was sent, the Commission will begin assessing interest charges, which will accrue from the date the invoice was mailed. Interest will be charged at a rate that is equal to the average investment rate for the Treasury tax and loan accounts for the 12-month period ending on September 30 of each year, rounded to the nearest whole percentage point, pursuant to 31 U.S.C. 3717. The accrual of interest will be stayed by the Commission's receipt of the fee, even if the fee has not yet been processed.

(e) *Aggregating requests.* A requestor may not file multiple requests, each seeking portions of a document or documents, in order to avoid payment of fees. When the Commission reasonably believes that a FOIA requestor or group of requestors acting in concert is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Commission will aggregate any such requests and charge the appropriate fees. In making this determination, the Commission will consider the time period in which the requests have occurred, the relationship of the requestors, and the subject matter of the requests.

(f) *Advance payments.* The Commission will require a requestor to make an advance payment, i.e., a payment before work is commenced or continued on a request, when:

(1) The Commission estimates or determines that allowable charges that a requestor may be required to pay are

likely to exceed \$250. In such a case, the Commission will notify the requestor of the likely cost and, where the requestor has a history of prompt payment of FOIA fees, obtain satisfactory assurance of full payment, or in the case of a requestor with no FOIA fee payment history, the Commission will require an advance payment of an amount up to the full estimated charges; or

(2) A requestor has previously failed to pay a fee in a timely fashion (i.e., within 30 days of the date of the billing). In such a case, the Commission may require that the requestor pay the full amount owed plus any applicable interest or demonstrate that the fee has been paid and make an advance payment of the full amount of the estimated fee before the Commission begins to process a new request or a pending request from that requestor.

(3) If the provisions of paragraph (f) (1) or (2) of this section apply, the administrative time limits prescribed in 11 CFR 4.7(c) will begin only after the Commission has received the payments or the requestor has made acceptable arrangements to make the payments required by paragraph (f) (1) or (2) of this section.
