(b) *Purpose and scope.* This subpart A governs any extension of credit by a member bank to an executive officer, director, or principal shareholder of: The member bank; a bank holding company of which the member bank is a subsidiary; and any other subsidiary of that bank holding company. It also applies to any extension of credit by a member bank to: A company controlled by such a person; and a political or campaign committee that benefits or is controlled by such a person. This subpart A also implements the reporting requirements of 12 U.S.C. 375a concerning extensions of credit by a member bank to its executive officers and of 12 U.S.C. 1817(k) concerning extensions of credit by a member bank to its executive officers or principal shareholders, or the related interests of such persons.

This amount is 15 percent of the bank's unimpaired capital and unimpaired surplus in the case of loans that are not fully secured, and an additional 10 percent of the bank's unimpaired capital and unimpaired surplus in the case of loans that are fully secured by readily marketable collateral having a market value, as determined by reliable and continuously available price quotations, at least equal to the amount of the loan. The lending limit also includes any higher amounts that are permitted by section 5200 of the Revised Statutes for the types of obligations listed therein as exceptions to the limit. A member bank's unimpaired capital and unimpaired surplus equals:

(1) The bank's Tier 1 and Tier 2 capital included in the bank's risk-based capital under the capital guidelines of the appropriate Federal banking agency, based on the bank's most recent consolidated report of condition filed under 12 USC 1817(a)(3); and

²Where State law establishes a lending limit for a State member bank that is lower than the amount permitted in section 5200 of the Revised Statutes, the lending limit established by applicable State laws shall be the lending limit for the State member bank.
