under this section or at any time request any additional information that either believes is needed for a decision on any notice under this section.

(5) *Tolling of period.* The Board or the Reserve Bank may at any time extend or toll the time period for action on a notice for any period with the consent of the notificant.

[Reg. Y, 62 FR 9332, Feb. 28, 1997, as amended at 62 FR 60640, Nov. 12, 1997; 65 FR 14438, Mar. 17, 2000]

§ 225.25 Hearings, alteration of activities, and other matters.

(a) *Hearings*—(1) *Procedure to request hearing.* Any request for a hearing on a notice under this subpart shall comply with the provisions of 12 CFR 262.3(e).

(2) *Determination to hold hearing.* The Board may order a formal or informal hearing or other proceeding on a notice as provided in 12 CFR 262.3(i)(2). The Board shall order a hearing only if there are disputed issues of material fact that cannot be resolved in some other manner.

(3) *Extension of period for hearing.* The Board may extend the time for action on any notice for such time as is reasonably necessary to conduct a hearing and evaluate the hearing record. Such extension shall not exceed 91 calendar days after the date of submission to the Board of the complete record on the notice. The procedures for computation of the 91-day rule as set forth in § 225.16(f) apply to notices under this subpart that involve hearings.

(b) *Approval through failure to act.* (1) Except as provided in paragraph (a) of this section or § 225.24(d)(5), a notice under this subpart shall be deemed to be approved at the conclusion of the period that begins on the date the complete notice is received by the Reserve Bank or the Board and that ends 60 calendar days plus any applicable extension and tolling period thereafter.

(2) *Complete notice.* For purposes of paragraph (b)(1) of this section, a notice shall be deemed complete at such time as it contains all information required by this subpart and all other information requested by the Board or the Reserve Bank.

(c) *Notice to expand or alter nonbanking activities*—(1) *De novo expansion.* A notice under this subpart is re-

quired to open a new office or to form a subsidiary to engage in, or to relocate an existing office engaged in, a nonbanking activity that the Board has previously approved for the bank holding company under this regulation, only if:

(i) The Board's prior approval was limited geographically;

(ii) The activity is to be conducted in a country outside of the United States and the bank holding company has not previously received prior Board approval under this regulation to engage in the activity in that country; or

(iii) The Board or appropriate Reserve Bank has notified the company that a notice under this subpart is required.

(2) *Activities outside United States.* With respect to activities to be engaged in outside the United States that require approval under this subpart, the procedures of this section apply only to activities to be engaged in directly by a bank holding company that is not a qualifying foreign banking organization, or by a nonbank subsidiary of a bank holding company approved under this subpart. Regulation K (12 CFR part 211) governs other international operations of bank holding companies.

(3) *Alteration of nonbanking activity.* Unless otherwise permitted by the Board, a notice under this subpart is required to alter a nonbanking activity in any material respect from that considered by the Board in acting on the application or notice to engage in the activity.

(d) *Emergency savings association acquisitions.* In the case of a notice to acquire a savings association, the Board may modify or dispense with the public notice and hearing requirements of this subpart if the Board finds that an emergency exists that requires the Board to act immediately and the primary federal regulator of the institution concurs.

§ 225.26 Factors considered in acting on nonbanking proposals.

(a) *In general.* In evaluating a notice under § 225.23 or § 225.24, the Board shall

§ 225.27

consider whether the notificant's performance of the activities can reasonably be expected to produce benefits to the public (such as greater convenience, increased competition, and gains in efficiency) that outweigh possible adverse effects (such as undue concentration of resources, decreased or unfair competition, conflicts of interest, and unsound banking practices).

(b) *Financial and managerial resources.* Consideration of the factors in paragraph (a) of this section includes an evaluation of the financial and managerial resources of the notificant, including its subsidiaries and any company to be acquired, the effect of the proposed transaction on those resources, and the management expertise, internal control and risk-management systems, and capital of the entity conducting the activity.

(c) *Competitive effect of de novo proposals.* Unless the record demonstrates otherwise, the commencement or expansion of a nonbanking activity *de novo* is presumed to result in benefits to the public through increased competition.

(d) *Denial for lack of information.* The Board may deny any notice submitted under this subpart if the notificant neglects, fails, or refuses to furnish all information required by the Board.

(e) *Conditional approvals.* The Board may impose conditions on any approval, including conditions to address permissibility, financial, managerial, safety and soundness, competitive, compliance, conflicts of interest, or other concerns to ensure that approval is consistent with the relevant statutory factors and other provisions of the BHC Act.

§ 225.27 Procedures for determining scope of nonbanking activities.

(a) *Advisory opinions regarding scope of previously approved nonbanking activities—(1) Request for advisory opinion.* Any person may submit a request to the Board for an advisory opinion regarding the scope of any permissible nonbanking activity. The request shall be submitted in writing to the Board and shall identify the proposed parameters of the activity, or describe the service or product that will be provided, and contain an explanation sup-

12 CFR Ch. II (1-1-03 Edition)

porting an interpretation regarding the scope of the permissible nonbanking activity.

(2) *Response to request.* The Board shall provide an advisory opinion within 45 days of receiving a written request under this paragraph.

(b) *Procedure for consideration of new activities—(1) Initiation of proceeding.* The Board may, at any time, on its own initiative or in response to a written request from any person, initiate a proceeding to determine whether any activity is so closely related to banking or managing or controlling banks as to be a proper incident thereto.

(2) *Requests for determination.* Any request for a Board determination that an activity is so closely related to banking or managing or controlling banks as to be a proper incident thereto, shall be submitted to the Board in writing, and shall contain evidence that the proposed activity is so closely related to banking or managing or controlling banks as to be a proper incident thereto.

(3) *Publication.* The Board shall publish in the FEDERAL REGISTER notice that it is considering the permissibility of a new activity and invite public comment for a period of at least 30 calendar days. In the case of a request submitted under paragraph (b) of this section, the Board may determine not to publish notice of the request if the Board determines that the requester has provided no reasonable basis for a determination that the activity is so closely related to banking, or managing or controlling banks as to be a proper incident thereto, and notifies the requester of the determination.

(4) *Comments and hearing requests.* Any comment and any request for a hearing regarding a proposal under this section shall comply with the provisions of § 262.3(e) of the Board's Rules of Procedure (12 CFR 262.3(e)).

§ 225.28 List of permissible nonbanking activities.
