

§ 115.20

13 CFR Ch. I (1–1–03 Edition)

contained in the original Contract, or other documentation satisfactory to SBA, showing why a bond was not previously obtained and is now being required;

(B) Certification by the Principal that all taxes and labor costs are current, and listing all suppliers and subcontractors, indicating that they are all paid to date, and attaching a waiver of lien from each; or an explanation satisfactory to SBA why such documentation cannot be produced; and

(C) Certification by the Obligee that all payments due under the Contract to date have been made and that the job has been satisfactorily completed to date.

(2)(i) For purposes of paragraph (f)(1)(ii) of this section, work under a Contract is considered to have begun when a Principal takes any action at the job site which would have exposed its Surety to liability under applicable law had a bond been Executed (or approved, if the Surety is legally bound by such approval) at the time.

(ii) For purposes of this paragraph (f), the Surety must maintain a contemporaneous record of the Execution and approval of each bond.

(g) *Principal fee.* The Surety has not remitted to SBA the Principal's payment for the full amount of the guarantee fee within the time period required under §115.30(d) for Prior Approval Sureties or §115.66 for PSB Sureties. SBA may reinstate the guarantee upon a showing that the Contract is not in default and that a valid reason exists why a timely submission was not made.

(h) *Other regulatory violations.* The occurrence of any of the following:

(1) The Principal on the bonded Contract is not a small business;

(2) The bond was not required under the bid solicitation or the original Contract;

(3) The bond was not eligible for guarantee by SBA because the bonded contract was not a Contract as defined in §115.10;

(4) The loss occurred under a bond that was not guaranteed by SBA;

(5) The loss incurred by the Surety was not a Loss as determined under §115.16; or

(6) The Surety's loss under a Performance Bond did not result from the Principal's breach or Imminent Breach of the Contract.

[61 FR 3271, Jan. 31, 1996, as amended at 66 FR 30804, June 8, 2001]

§ 115.20 Insolvency of Surety.

(a) *Successor in interest.* If a Surety becomes insolvent, all rights or benefits conferred on the Surety under a valid and binding Prior Approval or PSB Agreement will accrue only to the trustee or receiver of the Surety. SBA will not be liable to the trustee or receiver of the insolvent Surety except for the guaranteed portion of any Loss incurred and actually paid by such Surety or its trustee or receiver under the guaranteed bonds.

(b) *Filing requirement.* The trustee or receiver must submit to SBA quarterly status reports accounting for all funds received and all settlements being considered.

§ 115.21 Audits and investigations.

(a) *Audits—(1) Scope of audit.* SBA may audit in the office of a Prior Approval or PSB Surety, the Surety's attorneys or consultants, or the Principal or its subcontractors, all documents, files, books, records, tapes, disks and other material relevant to SBA's guarantee, commitments to guarantee a surety bond, or agreements to indemnify the Prior Approval or PSB Surety. See §115.18(a)(3) for consequences of failure to comply with this section.

(2) *Frequency of PSB audits.* Each PSB Surety is subject to audit at least once each year by examiners selected and approved by SBA.

(b) *Records.* The Surety must maintain the records listed in this paragraph (b) for the term of each bond, plus any additional time required to settle any claims of the Surety for reimbursement from SBA and to attempt salvage or other recovery, plus an additional 3 years. If there are any unresolved audit findings in relation to a particular bond, the Surety must maintain the related records until the findings are resolved. The records to be maintained include the following:

(1) A copy of the bond;

(2) A copy of the bonded Contract;
