

The Surety must handle and process all claims under the bond and all settlements and recoveries as it does on non-guaranteed bonds.

(c) *Claim reimbursement requests.* (1) Claims for reimbursement for Losses which the Surety has paid must be submitted (together with a copy of the bond, the bonded Contract, and any indemnity agreements) with the initial claim to OSG on a "Default Report, Claim for Reimbursement and Record of Administrative Action" (SBA Form 994H), within 1 year from the time of each disbursement. Claims submitted after 1 year must be accompanied by substantiation satisfactory to SBA. The date of the claim for reimbursement is the date of receipt of the claim by SBA, or such later date as additional information requested by SBA is received.

(2) The Surety must also submit evidence of the disposal of all collateral at fair market value.

(3) SBA may request additional information prior to reimbursing the Surety for its Loss.

(4) Subject to the offset provisions of part 140, SBA pays its share of the Loss incurred and paid by the Surety within 90 days of receipt of the requisite information.

(5) Claims for reimbursement and any additional information submitted are subject to review and audit by SBA, including but not limited to the Surety's compliance with SBA's regulations and forms.

(d) *Status updates.* The Surety must submit semiannual status reports on each claim 6 months after the initial default notice, and then every 6 months. The Surety must notify SBA immediately of any substantial changes in the status of the claim or the amounts of Loss reserves.

(e) *Reservation of SBA rights.* The payment by SBA of a Surety's claim does not waive or invalidate any of the terms of the Prior Approval Agreement, the regulations set forth in this part 115, or any defense SBA may have against the Surety. Within 30 days of receipt of notification that a claim or any portion of a claim should not have been paid by SBA, the Surety must repay the specified amounts to SBA.

§ 115.36 Indemnity settlements and reinstatement of Principal.

(a) *Indemnity settlements.* (1) An indemnity settlement occurs when a defaulted Principal and its Surety agree upon an amount, less than the actual loss under the bond, which will satisfy the Principal's indebtedness to the Surety. Sureties must not agree to any indemnity settlement proposal or enter into any such agreement without SBA's concurrence.

(2) Any settlement proposal submitted for SBA's consideration must include current financial information, including financial statements, tax returns, and credit reports, together with the Surety's written recommendations. It should also indicate whether the Principal is interested in further bonding.

(3) The Surety must pay SBA its *pro rata* share of the settlement amount within 90 days of receipt. Prior to closing the file on a Principal, the Surety must certify that SBA has received its *pro rata* share of all indemnity recovery.

(b) *Conditions for reinstatement.* At any time after a Principal becomes ineligible for further bond guarantees under § 115.14(a), the Surety may recommend that such Principal's eligibility be reinstated. OSG may agree to reinstate the Principal and its Affiliates if:

(1) The Principal's guarantee fee has been paid to SBA and SBA receives evidence that the Principal has paid all delinquent amounts due to the Surety (including amounts for Imminent Breach); or

(2) The Surety has settled its claim with the Principal for an amount and on terms accepted by OSG; or

(3) The Principal contests a claim and provides collateral, acceptable to the Surety and OSG, which has a liquidation value of at least the amount of the claim including related expenses; or

(4) The Principal's indebtedness to the Surety is discharged by operation of law (e.g., bankruptcy discharge); or

(5) OSG and the Surety determine that further bond guarantees are appropriate.

(c) *Underwriting after reinstatement.* A guarantee application submitted after

§ 115.60

reinstatement of the Principal's eligibility is subject to a very stringent underwriting review.

Subpart C—Preferred Surety Bond (PSB) Guarantees

§ 115.60 Selection and admission of PSB Sureties.

(a) *Selection of PSB Sureties.* SBA's selection of PSB Sureties will be guided by, but not limited to, these factors:

(1) An underwriting limitation of at least \$2,000,000 on the U.S. Treasury Department list of acceptable sureties;

(2) An agreement to charge Principals no more than the Surety Association of America's advisory premium rates in effect on August 1, 1987;

(3) Premium income from contract bonds guaranteed by any government agency (Federal, State or local) of no more than one-quarter of the total contract bond premium income of the Surety;

(4) The vesting of underwriting authority for SBA guaranteed bonds only in employees of the Surety;

(5) The vesting of final settlement authority for claims and recovery under the PSB program only in employees of the Surety's permanent claims department; and

(6) The rating or ranking designations assigned to the Surety by recognized authority.

(b) *Admission of PSB Sureties.* A Surety admitted to the PSB program must execute a PSB Agreement before approving SBA guaranteed bonds. No SBA guarantee attaches to bonds approved before the AA/SG or designee has countersigned the Agreement.

[61 FR 3271, Jan. 31, 1996, as amended at 66 FR 30804, June 8, 2001]

§ 115.61 Duration of PSB program.

The PSB program terminates on September 30, 2003, unless extended by legislation. SBA guarantees effective under this program on or before September 30, 2003, will remain in effect after such date.

[61 FR 3271, Jan. 31, 1996, as amended at 63 FR 12605, Mar. 16, 1998; 66 FR 30804, June 8, 2001]

13 CFR Ch. I (1-1-03 Edition)

§ 115.62 Prohibition on participation in Prior Approval program.

Neither a PSB Surety nor any of its Affiliates is eligible to submit applications under subpart B of this part.

§ 115.63 Allotment of guarantee authority.

(a) *General.* SBA allots to each PSB Surety a periodic maximum guarantee authority. No SBA guarantee attaches to bonds approved by a PSB Surety if the bonds exceed the allotted authority for the period in which the bonds are approved. No reliance on future authority is permitted. An allotment can be increased only by prior written permission of SBA.

(b) *Execution of Bid Bonds.* When the PSB Surety Executes a Bid Bond, SBA debits the Surety's allotment for an amount equal to the guarantee percentage of the estimated penal sum of the Final Bond SBA would guarantee if the Contract were awarded. If the Contract is then awarded for an amount other than the bid amount, or if the bid is withdrawn or the Bid Bond guarantee has expired (see § 115.12(c)), SBA debits or credits the Surety's allotment accordingly.

(c) *Execution of Final Bonds.* If the PSB Surety Executes a guaranteed Final Bond, but not the related Bid Bond, SBA debits the Surety's allotment for an amount equal to the guarantee percentage of the penal sum of the Final Bond. SBA will debit the allotment for increases, and credit the allotment for decreases, in the bond amount.

(d) *Release and non-issuance of Final Bonds.* The release of Final Bonds upon completion of the Contract does not restore the corresponding allotment. If, however, a PSB Surety approves a Final Bond but never issues the bond, SBA will credit the Surety's allotment for an amount equal to the guarantee percentage of the penal sum of the bond. In that event, the Surety must notify SBA as soon as possible, but in no event later than 5 business days after the non-issuance has been determined. Until the Surety has so notified SBA, it cannot rely on such credit.
