

Subpart C—National Technical Assistance, Training, Research, and Evaluation

§ 307.9 Purpose and scope.

(a) The purposes of National Technical Assistance, Training, Research, and Evaluation projects are:

(1) To determine the causes of excessive unemployment, underemployment, outmigration or other problems indicating economic distress in areas and regions of the Nation;

(2) To assist in formulating and implementing new economic development tools and national, State, and local programs that will raise employment and income levels and otherwise produce solutions to problems resulting from the above conditions;

(3) To evaluate the effectiveness and economic impact of programs, projects, and techniques used to alleviate economic distress and promote economic development, and

(4) To assist in disseminating information about effective programs, projects and techniques that alleviate economic distress and promote economic development.

(b) EDA may during the course of the year, identify specific national technical assistance, training, research or evaluation projects it wishes to have conducted. Ordinarily, EDA specifies these projects in a NOFA, which also provides the appropriate point of contact and address.

(c) National technical assistance, research, training, and evaluation funds may not be used to start or expand a private business.

§ 307.10 Application evaluation criteria.

EDA selects projects for national technical assistance, training, research or evaluation grant awards according to the general application evaluation criteria set forth in part 304 of this chapter and the extent, as appropriate, the project:

(a) Does not depend upon further EDA or other Federal funding assistance to achieve results;

(b) Strengthens the capability of local, State, or national organizations and institutions, including nonprofit economic development groups, to undertake and promote effective economic development programs targeted to people and areas of distress;

(c) Benefits severely distressed areas;

(d) Helps to diversify distressed economies; and

(e) Demonstrates innovative approaches to stimulating economic development in distressed areas.

§ 307.11 Award and grant rate requirements.

(a) EDA will provide assistance for the period of time required to complete the project scope of work. Normally, this does not exceed twelve months.

(b) If the project is regional or national in scope, EDA may determine that the requirement that public or private nonprofit organizations must act in cooperation with officials of a political subdivision of a State is satisfied by the nature of the project;

(c) Grant rate:

(1) The maximum Federal grant rate for a project under this subpart is:

(i) 50 percent, except as supplemented as provided in § 301.4(b); or

(ii) Up to and including 100 percent, if the project is not feasible without, and merits, a reduction or waiver of the non-Federal share required under the rate provided in § 301.4(b) of this chapter.

(2) A project is eligible for a supplemental grant increasing the Federal share up to and including 100 percent when the applicant is able to demonstrate that:

(i) The project is addressing major causes of distress in the area serviced and requires the unique characteristics of the applicant, which will not participate in the program if it must provide all or part of a 50 percent non-Federal share; or

(ii) The project is for the benefit of local, State, regional, or national economic development efforts, and will be of no or only incidental benefit to the recipient.
