

§ 294.21 Procedure on receipt of registration form.

(a) The Department will list the names and addresses of all persons applying for registration under this part in its Weekly Summary of Filings.

(b) Any person objecting to the registration of a Canadian charter air taxi operator shall file an objection with the Office of Aviation Analysis, Special Authorities Division and serve a copy on the registrant within 28 days after the Department receives the properly completed registration application. Objections shall include any facts and arguments upon which the person relies to support its objection.

(c) Any answers to objections shall be filed within 14 days after the date that the objections were due.

(d) After receipt of OST Form 4505, the Department may request additional information.

(e) After the period for objections and answers has expired, the Department will take one of the following actions:

(1) Issue the registration by stamping its effective date on OST Form 4505 and sending a copy of it to the carrier and to the FAA as evidence of registration under this part. The FAA will return its copy of OST Form 4505 to the Office of Aviation Analysis, Special Authorities Division, after the carrier has been granted FAA operations specifications under part 129 of the Federal Aviation Regulations;

(2) Reject the application for failure to comply with this part;

(3) Issue the registration subject to such terms, conditions, or limitations as may be consistent with the public interest; or

(4) Institute evidentiary proceedings to consider whether the registration should be issued.

(f) An action described in paragraph (e) of this section will normally be taken within 60 days after the registration application is received. The Department will consider requests for faster action that include a full explanation of the need for expedited action.

(g) A registration will not become effective until the United States Government receives from the Canadian Government written designation of the registrant under the Agreement.

(h) Rejection of an application for registration will not preclude the filing of a new application by the same carrier.

[ER-1257, 46 FR 52591, Oct. 27, 1981, as amended by Docket No. 47939, 57 FR 40102, Sept. 2, 1992; 60 FR 43526, Aug. 22, 1995]

§ 294.22 Notification to the Department of change in operations or identifying information.

Each Canadian charter air taxi operator shall refile three copies of OST Form 4505 with the Department's Office of Aviation Analysis, Special Authorities Division, upon any of the following events. The refilings shall be mailed, or otherwise delivered, so as to be received by the Department not later than 30 days after the reported event has occurred.

(a) The carrier changes its name. When a carrier refiles OST Form 4505 to indicate a change of name:

(1) The registration becomes ineffective unless the Canadian Government amends the carrier's designation under the Agreement to reflect the carrier's new name within 60 days of its name change;

(2) The registrant must also refile three copies of Agreement 18900 (OST Form 4523) under its new name;

(3) The registrant must also refile its certificate of insurance under its new name; and

(4) The registrant must also advise the appropriate FAA office referred to in § 294.33 of the carrier's new name.

(b) The carrier changes its designated agent.

(c) A change occurs in the carrier's ownership and control resulting in a person acquiring a beneficial or voting interest in the registrant of 10 percent or more. The name(s), address(es), citizenship(s), and percentages of ownership of the new owners shall be indicated on the form. Acquisition of ownership interest by persons who are not citizens of the country of citizenship of the registrant may invalidate the registration.
