

(d) Time periods begin to run on the day following the date of the document, paper, or event that begins the time period. Saturdays, Sundays, and Federal holidays will be included in computing such time, except that when such time expires on a Saturday, Sunday, or Federal holiday, such period will be extended to include the next business day. This method of computing time periods also applies to any act, such as paying a civil penalty, required by this part to take place within a specified period of time. When the period of time prescribed or allowed is less than 11 days, intermediate Saturdays, Sundays, and legal holidays will be excluded in the computation.

(e) If an oral or written application is made to NOAA within 10 days after the expiration of a time period established in this part for the required filing of documents or other papers, NOAA may permit a late filing if NOAA finds reasonable grounds for an inability or failure to file within the time period. All extensions will be in writing. Except as specifically provided in this part, or by order of an Administrative Law Judge (Judge) under this part, no requests for an extension of time may be granted.

**Subpart B—Civil Penalties**

**§ 904.100 General.**

This subpart sets forth the procedures governing NOAA administrative proceedings for the assessment of civil penalties under the statutes cited in § 904.1(c).

**§ 904.101 Notice of Violation and Assessment (NOVA).**

(a) A NOVA will be issued by NOAA and served personally or by registered or certified mail, return receipt requested, upon the person alleged to be subject to a civil penalty (the respondent). A copy of the NOVA will similarly be served upon the permit holder or the vessel owner, if the holder or owner is not the respondent. The NOVA will contain:

- (1) A concise statement of the facts believed to show a violation;
- (2) A specific reference to the provisions of the Act, regulation, license, permit, agreement, or order allegedly violated;

(3) The findings and conclusions upon which NOAA bases the assessment; and

(4) The amount of the civil penalty assessed. The NOVA will also advise of the respondent's rights upon receipt of the NOVA, and will be accompanied by a copy of the regulations in this part governing the proceedings.

(b) In assessing a civil penalty, NOAA will take into account information available to the Agency concerning any factor to be considered under the applicable statute, and any other information that justice or the purposes of the statute require.

(c) The NOVA may also contain a proposal for compromise or settlement of the case. NOAA may also attach documents that illuminate the facts believed to show a violation.

**§ 904.102 Procedures upon receipt of a NOVA.**

(a) The respondent has 30 days from receipt of the NOVA in which to respond. During this time the respondent may:

- (1) Accept the penalty or compromise penalty, if any, by taking the actions specified in the NOVA;
- (2) Seek to have the NOVA amended, modified, or rescinded under paragraph (b) of this section;
- (3) Request a hearing under paragraph (e) of this section;
- (4) Request an extension of time to respond under paragraph (c) of this section; or
- (5) Take no action, in which case the NOVA becomes final in accordance with § 904.104. The procedures set forth in paragraphs (a) (2), (3), (4), and (5) of this section may also be exercised by the permit holder or vessel owner.

(b) The respondent, the permit holder, or the vessel owner may seek amendment or modification of the NOVA to conform to the facts or law as that person sees them by notifying Agency counsel at the telephone number or address specified in the NOVA. If amendment or modification is sought, Agency counsel will either amend the NOVA or decline to amend it, and so notify the respondent, permit holder, or vessel owner, as appropriate.

(c) The respondent, permit holder, or vessel owner may, within the 30-day period specified in paragraph (a) of this

section, request an extension of time to respond. Agency counsel may grant an extension of up to 30 days unless he or she determines that the requester could, exercising reasonable diligence, respond within the 30-day period. If Agency counsel does not respond to the request within 48 hours of its receipt, the request is granted automatically for the extension requested, up to a maximum of 30 days. A telephonic response to the request within the 48-hour period is considered an effective response, and will be followed by written confirmation.

(d) Agency counsel may, for good cause, grant an additional extension beyond the 30-day period specified in paragraph (c) of this section.

(e) If the respondent, the permit holder, or the vessel owner wishes a hearing, the request must be dated and in writing, and must be served either in person or mailed to the address specified in the NOVA. The requester must either attach a copy of the NOVA or refer to the relevant NOAA case number. Agency counsel will promptly forward the request for hearing to the Office of Administrative Law Judges.

(f) Any denial, in whole or in part, of any request under this section that is based upon untimeliness will be in writing.

(g) Agency counsel may, in his or her discretion, treat any communication from a respondent, a permit holder, or vessel owner as a request for a hearing under paragraph (e) of this section.

**§ 904.103 Hearing and administrative review.**

(a) Any hearing request under § 904.102(e) is governed by the hearing and review procedures set forth in subpart C.

(b) In any hearing held in response to a request under § 904.102(e), the Administrative Law Judge (Judge) will render an initial decision. Any party to the hearing may seek the Administrator's review of the Judge's initial decision, subject to the provisions of subpart C.

**§ 904.104 Final administrative decision.**

(a) If no request for hearing is timely filed as provided in § 904.102(e), the NOVA becomes effective as the final

administrative decision and order of NOAA on the 30th day after service of the NOVA or on the last day of any delay period granted.

(b) If a request for hearing is timely filed in accordance with § 904.102(e), the date of the final administrative decision is as provided in subpart C.

**§ 904.105 Payment of final assessment.**

(a) Respondent must make full payment of the civil penalty assessed within 30 days of the date upon which the assessment becomes effective as the final administrative decision and order of NOAA under § 904.104 or subpart C. Payment must be made by mailing or delivering to NOAA at the address specified in the NOVA a check or money order made payable in United States currency in the amount of the assessment to the "Treasurer of the United States," or as otherwise directed.

(b) Upon any failure to pay the civil penalty assessed, NOAA may request the Justice Department to recover the amount assessed in any appropriate district court of the United States, or may act under § 904.106.

**§ 904.106 Compromise of civil penalty.**

(a) NOAA, in its sole discretion, may compromise, modify, remit, or mitigate, with or without conditions, any civil penalty imposed, or which is subject to imposition, except as stated in paragraph (d) of this section.

(b) The compromise authority of NOAA under this section is in addition to any similar authority provided in any applicable statute or regulation, and may be exercised either upon the initiative of NOAA or in response to a request by the alleged violator or other interested person. Any such request should be sent to Agency counsel at the address specified in the NOVA.

(c) Neither the existence of the compromise authority of NOAA under this section nor NOAA's exercise thereof at any time changes the date upon which an assessment is final or payable.

(d) *Exception.* NOAA will not compromise, modify, or remit a civil penalty imposed, or subject to imposition, under the Deep Seabed Hard Mineral
