### § 2638.502 Recommendations and advice.

The Director may make recommendations and provide advice to agencies, designated agency ethics officials and employees for the purpose of ensuring an employee's compliance with applicable ethics provisions. This authority may be used where there is doubt or a dispute regarding the applicability of an ethics provision or where the Director has information indicating that an ethics provision is being improperly interpreted. Recommendations may be made or advice provided on the Director's own initiative or at the Director's discretion in response to a written or oral request. As determined by the Director, the recommendation may be made or the advice given either orally or in writing. In addition, the Director shall afford an employee the opportunity for personal consultation, if practicable, regarding action required to be taken by the employee to achieve compliance with applicable ethics provisions.

### § 2638.503 Agency investigations.

(a) *Recommendation of investigation*. If the Director has reason to believe that an employee is violating or has violated any ethics provision, the Director may recommend to the head of the agency that the agency conduct such investigation as is necessary to determine whether, in fact, a violation is occurring or has occurred and, where warranted, take appropriate disciplinary or corrective action. If the matter already has been investigated or if the facts are fully known to the agency and, in the opinion of the agency head, require no further investigation, the head of the agency shall notify the Director of that determination and shall promptly file the agency report required by paragraph (c) of this section.
