**5 CFR Ch. I (1-1-03 Edition)**

agency, eligibility is in the individual's official employing agency, i.e., the agency from which detailed. If the appointee is on a reimbursable detail, the agency to which the appointee is detailed may reimburse the employing agency for some or all of any award, as agreed upon by the two agencies; but the reimbursement does not affect the award pool for either agency as calculated under paragraph (b) or this section.

(3) When making recommendations on performance awards, more than one-half of the membership of a Performance Review Board must be career SES appointees. The only exception is if OPM has determined under § 430.307(d) of this chapter that the Board does not have to have a majority of career members when making recommendations on performance appraisals of career appointees because there exists an insufficient number of career appointees.

(4) The agency head must consider the recommendations of the Performance Review Board (PRB), but the agency head has the final authority as to who is to receive a performance award and the amount of the award.

(b) The total amount of performance awards paid during a fiscal year by an agency may not exceed the greater of—

(1) Ten percent of the aggregate career SES basic pay for the agency as of the end of the fiscal year prior to the fiscal year in which the award payments are made; or

(2) Twenty percent of the average annual rates of basic pay for career SES appointees of the agency as of the end of the fiscal year prior to the fiscal year in which the award payments are made.

(c) The amount of a performance award paid to an individual career appointee may not be less than 5 percent nor more than 20 percent of the appointee's rate of basic pay as of the end of the performance appraisal period. The rate of basic pay does not include locality-based comparability payments under 5 U.S.C. 5304 and 5 CFR part 531, subpart F, or special law enforcement adjustments under section 404 of the Federal Employees Pay Comparability Act of 1990 and 5 CFR part 531, subpart C.

(d) OPM shall issue guidance concerning the distribution of performance awards within an agency.

(e) Agencies shall submit their distribution of performance awards, the total amount of awards, and the aggregate payroll or average rate of basic pay as computed under paragraph (b) of this section to OPM no later than 14 days after the date the performance awards are approved by the agency. If OPM determines that an agency's payments do not meet the requirements of law or regulations, the agency shall take any corrective action directed by OPM.

(f) Performance awards shall be paid in a lump sum except in those instances when it is not possible to pay the full amount because of the Executive Level I ceiling on aggregate compensation during a calendar year under subpart B of part 530 of this chapter. In that case, any amount in excess of the ceiling shall be paid at the beginning of the following calendar year in accordance with subpart B of part 530 of this chapter. The full performance award, however, is charged against the agency bonus pool under paragraph (b) of this section for the fiscal year in which the initial payment was made.

(a) Under 5 U.S.C. 5541(2)(xvi) and 5 CFR 550.101(b)(18), members of the Senior Executive Service (SES) are excluded from premium pay, including overtime pay.

(b) Since SES members are not eligible for overtime pay, they also are not
