

## § 837.203

cause on charges of misconduct or delinquency) where the reemployment would, if the individual were not an annuitant, be covered by CSRS;

(iii) The annuitant is not a retired Member and is appointed by the President to a position that would, if the individual were not an annuitant, be covered by CSRS; or

(iv) The annuitant is not a retired Member and is elected as a Member.

(2) A disability annuity awarded a former National Guard Technician under the provisions of 5 U.S.C. 8337(h) shall terminate on the date the annuitant declines an offer of employment with a department or agency, where the employment is in the same commuting area and of the same grade as, or a level equivalent to, the position from which the annuitant retired.

### § 837.203 Annuities that are suspended during reemployment.

(a) *All annuitants.* Payment of annuity is suspended when—

(1) The annuitant is appointed as a justice or judge of the United States, as defined by section 451 of title 28, United States Code; or

(2) The annuitant receives an interim appointment under § 772.102 of this chapter.

(b) *CSRS annuitants only.* Payment of annuity is suspended when the annuitant is a retired Member and becomes employed in an elective position, or is appointed to a position that is not intermittent or without pay.

## Subpart C—Coverage and Contributions

### § 837.301 Coverage.

(a) *When annuity terminates on, or is suspended during, reemployment.* Retirement coverage under either CSRS or FERS is governed by subpart B of part 831 or subpart A of part 842 of this chapter, as is appropriate.

(b) *When annuity continues.* (1) Unless a reemployed FERS annuitant's employment is on an intermittent basis, as an employee subject to another retirement system, or as President, deductions for the Fund shall be made under 5 U.S.C. 8422(a).

(2) A CSRS annuitant is not subject to deductions, unless he or she is serv-

## 5 CFR Ch. I (1–1–03 Edition)

ing in an other-than-intermittent status (except as President), is not covered by another retirement system, and elects to have retirement deductions made from his or her pay. Generally, deductions are made no later than the beginning of the first pay period immediately following the date the reemployed annuitant files the election with the employing agency. When the annuitant elects to have deductions made, he or she may not change the election during continuous service with that agency.

(3) The amount of basic pay prior to offset of annuity under § 837.303 of this part is used in computing the amount of deductions. The rate of retirement deductions is that which attaches to the position under the provisions of sections 8334(a), 8334(k), or 8422(a) of title 5, United States Code, as is applicable.

### § 837.302 Agency contributions.

(a) *FERS annuitants.* An agency that reemploys a FERS annuitant subject to retirement deductions under § 837.301(b)(1) of this part shall make contributions, as specified in 5 U.S.C. 8423, to the Fund, based on the reemployed annuitant's pay prior to offset of annuity under the provisions of § 837.303 of this part.

(b) *CSRS annuitants.* An agency that reemploys a CSRS annuitant is required to make an agency contribution when—

(1) The annuity is suspended or terminated under the provisions of subpart B of this part; and

(2) The appointment is subject to CSRS deductions under the provisions of subpart B of part 831 of this chapter.

### § 837.303 Annuity offset.

(a) *Applicability.* When the right to receive annuity continues during reemployment (even though actual receipt of annuity may have been waived under 5 U.S.C. 8345(d) or 8465(a)), the pay of the reemployed annuitant shall be offset by the amount of annuity allocable to the period of reemployment, except that—

(1) No amount shall be offset from pay in accordance with this section for a period for which the annuitant has

## Office of Personnel Management

## § 837.402

elected to receive FEC benefits in lieu of annuity; and

(2) No amount shall be offset from a lump-sum payment of annual leave, made on or after termination of the re-employment period.

(b) *Payment.* The employing agency shall pay to the Fund the full amount required to be offset from a reemployed annuitant's salary under this section in accordance with instructions issued by OPM. Payment in full to the Fund is not contingent on actual offset from the reemployed annuitant's salary.

(c) *Computation.* To compute the amount of the annuity offset for any particular pay period, divide the amount of annuity for the calendar days included in the pay period by the number of hours that would constitute a full-time tour of duty for that pay period, then multiply the result by the number of hours actually paid for the pay period, not to exceed the number of hours that constitutes a full-time tour of duty.

### § 837.304 Agency liability for payments.

(a) The agency will remit funds properly withheld from the pay of a reemployed annuitant in accordance with this subpart to OPM in the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM.

(b) When the employing agency fails to withhold from the pay of the reemployed annuitant some or all of the amounts required to be withheld from that pay by this subpart, the employee has received an overpayment of pay. The employing agency must collect the overpayment of pay (unless it is waived under 5 U.S.C. 5584 or some other applicable statute) and remit the proper funds to OPM in the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM.

(c) If the employing agency waives the annuitant's repayment of the salary overpayment, it must submit—on behalf of the reemployed annuitant—an amount equal to the correct deduction from pay (or the balance due in the case of a partial deduction) to OPM in

the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM.

[58 FR 48266, Sept. 15, 1993, as amended at 66 FR 66711, Dec. 27, 2001]

### § 837.305 Lump-sum credit not reduced.

When annuity continues during the period of reemployment, and the reemployment is subject to annuity offset under the provisions of § 837.303 of this subpart, or any similar provision of law or regulation, the amount of an annuitant's lump-sum credit to the Fund shall not be reduced by the amount of annuity allocable to the period of reemployment.

### § 837.306 Refund of lump-sum credit.

An annuitant serving as a justice or judge of the United States, as defined by section 451 of title 28, United States Code, may apply for and receive payment of the annuitant's lumpsum credit, less the amount of annuity or other benefits previously paid on that account. Receipt of a refund under this section will irrevocably terminate the right to annuity, and the annuitant status, of the recipient, based on any prior separations from employment covered by CSRS or FERS.

## Subpart D—Reemployment of Disability Annuitants

### § 837.401 Generally.

A disability annuitant may be reemployed in any position for which he or she is qualified.

### § 837.402 Special notice.

(a) *To annuitant.* In addition to the advice described in paragraph 837.103(b) of this part, the agency should generally also advise a disability annuitant, in writing, prior to reemployment, that—

(1) Reemployment on a permanent basis in a position equivalent in grade and pay to the position from which the annuitant retired may constitute the basis for an OPM finding of recovery from disability;
