

§ 900.405

subpart applies is to provide employment, a recipient or other party subject to this subpart shall not, directly or through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its employment practices under the program (including recruitment or recruitment advertising, hiring, firing, upgrading, promotion, demotion, transfer, layoff, termination, rates of pay, or other forms of compensation or benefits, selection for training or apprenticeship, use of facilities, and treatment of employees). A recipient shall take affirmative action to insure that applicants are employed, and employees are treated during employment, without regard to race, color, or national origin. The requirements applicable to construction employment under a program are those specified in or pursuant to Part III of Executive Order 11246 or any Executive order which supersedes it.

(2) Federal financial assistance to programs under laws funded or administered by OPM which have as a primary objective the providing of employment include those set forth in appendix B to this subpart.

(3) In regard to Federal financial assistance which does not have providing employment as a primary objective, the provisions of paragraph (c)(1) of this section apply to the employment practices of the recipient if discrimination on the ground of race, color, or national origin in the employment practices tends, on the ground of race, color, or national origin, to exclude persons from participation in, to deny them the benefits of, or to subject them to discrimination under, the program receiving Federal financial assistance. The provisions of paragraph (c)(1) of this section apply to the extent necessary to assure equality of opportunity to and nondiscriminatory treatment of beneficiaries.

(d) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program to which this subpart applies, on the ground of race, color, or national origin; or with the

purpose or effect of defeating or substantially impairing the accomplishments of the objectives of title VI or this subpart.

§ 900.405 Assurances required.

(a) *General.* (1) An application for Federal financial assistance to carry out a program to which this subpart applies, except a program to which paragraph (d) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of Federal financial assistance pursuant to the application, contain or be accompanied by, assurances that the program will be conducted or the facility operated in compliance with the requirements imposed by or pursuant to this subpart. Every program of Federal financial assistance shall require the submission of these assurances. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein or structures thereon, the assurances shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In other cases, the assurances obligate the recipient for the period during which the Federal financial assistance is extended to the program. In the case where the assistance is sought for the construction of a facility or part of a facility, the assurances shall extend to the entire facility and to the facilities operated in connection therewith. OPM shall specify the form of the foregoing assurances for each program, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program. The assurances shall include provisions which give the United States the right to seek judicial enforcement.

(2) When Federal financial assistance is provided in the form of a transfer of

real property, structures, or improvements thereon, or interest therein, from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. When no transfer of property or interest therein from the Federal Government is involved, but property is acquired or improved under a program of Federal financial assistance, the recipient shall agree to include a covenant in any subsequent transfer of the property. When the property is obtained from the Federal Government, the covenant may also include a condition coupled with a right to be reserved by OPM to revert title to the property in the event of a breach of the covenant where, in the discretion of OPM, such a condition and right of reverter is appropriate to the program under which the real property is obtained and to the nature of the grant and the grantee. In the event a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on property for the purposes for which the property was transferred, OPM may agree, on request of the transferee and if necessary to accomplish the financing, and on conditions as he deems appropriate, to subordinate a right of reversion to the lien of a mortgage or other encumbrance.

(b) *Assurances from government agencies.* In the case of an application from a department, agency, or office of a State or local government for Federal financial assistance for a specified purpose, the assurance required by this section shall extend to any other department, agency, or office of the same governmental unit if the policies of the other department, agency, or office will substantially affect the project for which Federal financial assistance is requested. That requirement may be waived by the responsible OPM official if the applicant establishes, to the satisfaction of the responsible OPM offi-

cial, that the practices in other agencies or parts or programs of the governmental unit will in no way affect (1) its practices in the program for which Federal financial assistance is sought, or (2) the beneficiaries of or participants in or persons affected by the program, or (3) full compliance with this subpart as respects the program.

(c) *Assurance from academic and other institutions.* (1) In the case of an application for Federal financial assistance by an academic institution, the assurance required by this section extends to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required by an academic institution, detention or correctional facility, or any other institution or facility, relating to the institution's practices with respect to admission or other treatment of individuals as students, patients, wards, inmates, persons subject to control, or clients of the institution or facility or to the opportunity to participate in the provision of services, disposition, treatment, or benefits to these individuals, is applicable to the entire institution or facility unless the applicant establishes, to the satisfaction of the responsible OPM official, that the practices in designated parts or programs of the institution or facility will in no way affect its practices in the program of the institution or facility for which Federal financial assistance is sought, or the beneficiaries of or participants in the program. If the assistance sought is for the construction of a facility or part of a facility, the assurance shall extend to the entire facility and to facilities operated in connection therewith.

(d) *Continuing State programs.* Every application by a State or a State agency to carry out a program involving continuing Federal financial assistance to which this subpart applies (including the programs listed in appendix A to this subpart) shall as a condition to its approval and the extension of Federal financial assistance pursuant to the application (1) contain or be accompanied by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with the requirements imposed by

§ 900.406

or pursuant to this subpart, and (2) provide or be accompanied by provision for methods of administration for the program as are found by OPM to give reasonable guarantee that the applicant and all recipients of Federal financial assistance under the program will comply with the requirements imposed by or pursuant to this subpart.

§ 900.406 Compliance information.

(a) *Cooperation and assistance.* OPM, to the fullest extent practicable, shall seek the cooperation of recipients in obtaining compliance with this subpart and shall provide assistance and guidance to recipients to help them comply voluntarily with this subpart.

(b) *Compliance reports.* Each recipient shall keep records and submit to OPM timely, complete, and accurate compliance reports at the times, and in the form and containing the information OPM may determine necessary to enable it to ascertain whether the recipient has complied or is complying with this subpart. In the case of a program under which a primary recipient extends Federal financial assistance to other recipients, the other recipients shall also submit compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this subpart.

(c) *Access to sources of information.* Each recipient shall permit access by OPM during normal business hours to its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this subpart. When information required of a recipient is in the exclusive possession of another agency, institution, or person and this agency, institution, or person fails or refuses to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons the information regarding the provisions of this subpart and its applicability to the program under which the recipient received Federal financial assistance, and make this information available to

them in the manner, as OPM finds necessary, to apprise the persons of the protections against discrimination assured them by title VI and this subpart.

§ 900.407 Conduct of investigations.

(a) *Periodic compliance reviews.* OPM may from time to time review the practices of recipients to determine whether they are complying with this subpart.

(b) *Complaints.* Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this subpart may by himself or by a representative file with the Director, Office of Personnel Management a written complaint. A complaint shall be filed not later than 90 days after the date of the alleged discrimination, unless the time for filing is extended by OPM.

(c) *Investigations.* OPM will make a prompt investigation whenever a compliance review, report, complaint, or other information indicates a possible failure to comply with this subpart. The investigation will include, when appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this subpart occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this subpart.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this subpart, OPM will so inform the recipient and the matter will be resolved by voluntary means whenever possible. If it has been determined that the matter cannot be resolved by voluntary means, action will be taken as provided for in § 900.408.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, OPM will so inform, in writing, the recipient and the complainant, if any.

(e) *Intimidatory or retaliatory acts prohibited.* A recipient or other person shall not intimidate, threaten, coerce, or discriminate against an individual for the purpose of interfering with a right or privilege secured by section 601 of title VI or this subpart, or because
