(a) Each School Food Authority of a school participating in the National School Lunch Program, School Breakfast Program or Special Milk Program or of a commodity only school shall provide supplies of a form for use by families in making application for free or reduced price meals or free milk for their children. The application shall be clear and simple in design and the information requested thereon shall be limited to that required to demonstrate that the family does, or does not, meet the eligibility criteria for free or reduced price meals, respectively, or for free milk, issued by the School Food Authority. The information requested on the application with respect to the current income of the household shall be limited to the income received by each member identified by the household member who received the income, and the source of

The social security number will be used in the administration and enforcement of the program." State agencies and school food authorities must ensure that the notice complies with section 7(b) of the Privacy Act of 1974 (5 U.S.C. 552a note); and
