§ 246.24 Procurement and property management.

(a) *Requirements.* State and local agencies shall ensure that subgrantees comply with the requirements of 7 CFR part 3016, the nonprocurement debarment/suspension requirements of 7 CFR part 3017, and if applicable, the lobbying restrictions as required in 7 CFR part 3018 concerning the procurement and allowability of food in bulk lots, supplies, equipment and other services with Program funds. These requirements are adopted to ensure that such materials and services are obtained for the Program in an effective manner and in compliance with the provisions of applicable law and executive orders.

(b) *Contractual responsibilities.* The standards contained in A-130 and 7 CFR part 3016 do not relieve the State or local agency of the responsibilities arising under its contracts. The State agency is the responsible authority, without recourse to FNS, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in connection with the Program. This includes, but is not limited to, disputes, claims, protests of award, source eval-

uation, or other matters of a contractual nature. Matters concerning violation of law are to be referred to such local, State or Federal authority as may have proper jurisdiction.

(c) *State regulations.* The State or local agency may use its own procurement regulations which reflect applicable State and local regulations, provided that procurements made with Program funds adhere to the standards set forth in A-130 and 7 CFR part 3016.

(d) *Property acquired with Program funds.* State and local agencies shall observe the standards prescribed in 7 CFR part 3016 in their utilization and disposition of real property and equipment, including automated data processing equipment, acquired in whole or in part with Program funds.

§ 246.25 Records and reports.

(a) *Recordkeeping requirements.* Each State and local agency shall maintain full and complete records concerning Program operations. Such records shall comply with 7 CFR part 3016 and the following requirements:

(1) Records shall include, but not be limited to, information pertaining to financial operations, food delivery systems, food instrument issuance and redemption, equipment purchases and inventory, certification, nutrition education, civil rights and fair hearing procedures.

(2) All records shall be retained for a minimum of three years following the date of submission of the final expenditure report for the period to which the report pertains. If any litigation, claim, negotiation, audit or other action involving the records has been started before the end of the three-year period, the records shall be kept until all issues are resolved, or until the end of the regular three-year period, whichever is later. If FNS deems any of the Program records to be of historical interest, it may require the State or local agency to forward such records to FNS whenever either agency is disposing of them.

(3) Records for nonexpendable property acquired in whole or in part with Program funds shall be retained for three years after its final disposition.

(4) All records, except medical case records of individual participants (unless they are the only source of certification data), shall be available during normal business hours for representatives of the Department of the Comptroller General of the United States to inspect, audit, and copy. Any reports resulting from such examinations shall not divulge names of individuals.

(b) *Financial and participation reports*—(1) *Monthly reports.* State agencies shall submit financial and program performance data on a monthly basis as specified by FNS. Such information may include, but shall not be limited to, actual and projected participation, the number of persons on waiting lists, and itemized nutrition services and administration funds expenditures. State agencies shall require local agencies to report such financial and participation information as is necessary for the efficient management of food and nutrition services and administration funds. When considered necessary and feasible by FNS, State agencies may be required to:

(i) Show in the “Remarks” section of the Financial and Participation Report the amount of cash allowances exceeding three days need being held by their local agencies or contractors; and

(ii) Provide short narrative explanations of actions taken by the State agency to reduce such excess balances.

(2) *Quarterly reports.* Quarterly, on dates specified by FNS, State agencies shall report the number of persons participating in the Program by category (i.e., pregnant, breastfeeding, and postpartum women, infants and children) within each priority level as established in § 246.7(e)(4).

(3) *Program Participant Characteristic reports.* State and local agencies shall provide such information as may be required by FNS to prepare reports on participant characteristics which includes, at a minimum, information on breastfeeding incidence and duration, income and nutritional risk characteristics of participants, and participation in the Program by members of families of migrant farmworkers.

(c) *Civil rights.* The State agency shall ensure that each local agency participating under the Program submits a report of racial and ethnic participa-

tion data to the State agency, at a frequency prescribed by FNS.

(d) *Source documentation.* To be acceptable for audit purposes, all financial and Program performance reports shall be traceable to source documentation.

(e) *Certification of reports.* Financial and Program reports shall be certified as to their completeness and accuracy by the person given that responsibility by the State agency.

(f) *Use of reports.* FNS will use State agency reports to measure progress in achieving objectives set forth in the State Plan, and this part, or other State agency performance plans. If it is determined, through review of State agency reports, Program or financial analysis, or an audit, that a State agency is not meeting the objectives set forth in its State Plan, FNS may request additional information including, but not limited to, reasons for failure to achieve its objectives.

(g) *Extension of reporting deadline.* FNS may extend the due date for any Financial and Participation Report upon receiving a justified request from the State agency. The State agency should not wait until the due date if an extension is to be requested, but should submit the request as soon as the need is known. Failure by a State agency to submit a report by its due date may result in appropriate enforcement actions by FNS in accordance with § 246.19(a)(2), including withholding of further grant payments, suspension or termination of the grant.

§ 246.26 Other provisions.

(a) *No aid reduction.* The value of benefits or assistance available under the Program shall not be considered as income or resources of participants or their families for any purpose under Federal, State, or local laws, including, but not limited to, laws relating to taxation, welfare and public assistance programs.

(b) *Statistical information.* FNS reserves the right to use information obtained under the Program in a summary, statistical or other form which
