§ 248.13 FMNP income.

Program income means gross income the State agency earns from grant supported activities. It includes fees for services performed and receipts from

the use or rental of real or personal property acquired with Federal grant funds, but does not include proceeds from the disposition of such property. The State agency shall retain Program income earned during the agreement period and use it for Program purposes in accordance with the addition method described in 7 CFR 3016.25(g)(2). Fines, penalties or assessments paid by local agencies or farmers/farmers' markets are also deemed to be FMNP income. The State agency shall ensure that the sources and applications of Program income are fully documented.

The matching requirement will be considered satisfied if State or other non-Federal matching contributions reported on the final closeout report required by § 248.15(a) of this part amount to at least 30 percent of the total FMNP costs. This match amount may be lower for those Indian State agencies that have demonstrated to the Secretary financial hardship as set
