(e) All services in this section will incur a billing surcharge, currently \$10.00, per invoice generated in addition to the above fees. This fee is a direct cost recovery based on charges to the library by the billing vendor and is subject to change. Interlibrary loan requests submitted by participants in the IFM program on OCLC will not incur the billing surcharge as their activities will not generate an invoice.

§§ 505.4–505.5 [Reserved]

§ 505.6 Payment of fees.

Charges which include billing and handling will be invoiced quarterly by the National Technical Information Service (NTIS) of the United States Department of Commerce. The NAL encourages users to establish deposit accounts with NTIS. Payment for services will be made by check, money order or credit card in U.S. funds directly to the NTIS upon receipt of invoice from NTIS. Subject to a reduction for the actual costs of performing the invoicing service by NTIS, all funds received will be returned to NAL for credit to the appropriations account charged with the cost of processing the loan or copying request.
